

Public Health
Prevent. Promote. Protect.

Wells County District Health Unit

The agreement for the use of Wells County Opioid Settlement funds was approved and signed at the Wells County Commissioner meeting in December 2023. Total amount spent as of December 31, 2025 is \$5,947.09. Funds were utilized to have All of Us in Recovery provide recovery support services to individuals in Wells County. They also allowed the prevention coordinator with Wells County District Health Unit to teach the Keepin' it REAL prevention curriculum within Wells County Schools.
