RE: 2025 Annual Report – Opioid Settlement Reporting on Spending Decisions

To Whom It May Concern:

This letter serves as the annual report of all McKenzie County spending decision on opioid settlement funds. To date, only one request has been submitted and those details are below:

Requestor: Watford City Police Department regarding funding support for a training opportunity through the University of North Dakota titled "Operational Readiness for Police Officers: Practical Strategies for Addressing Opioid Use Disorder and Co-occurring Conditions." The request was reviewed by Upper Missouri District Health Unit (UMDHU) and determined to align with the intended use of the Opioid Settlement Funds. UMDHU then forwarded the information and approved request to McKenzie County.

The request was brought before the McKenzie County Board of County Commissioners on August 5, 2025, for their consideration and was unanimously approved on a vote of 5 aye and 0 nay. The total cost of the expenditure related to this request was \$11,700.00

No other requests for funding were brought forward in 2025 and this concludes our 2025 annual report.

Sincerely,

Erica Johnsrud
McKenzie County Auditor/Treasurer
