2026 Allocation Plan and Budget
Emmons County

Emmons County received \$11,952.83 back on July 1st, 2025. The county auditor has put this exact dollar amount into a savings account as they were unsure what the expectations were for this allocation. To date, none of this money has been spent and no discussions have been had on utilization. A meeting will be set up to discuss the opioid settlement funds and what the county commissioners would like to do with the allocation at the regular scheduled meeting in either March or April as we now have received clarification on what can be done with the funds. Upon decision, notification and updates will be sent to the Opioid Settlement Advisory Committee.
