Nelson County and Griggs County Allocation Plan of the Subdivision Opioid Settlement Funds

Prepared by: Cassandra Schock, RN Administrator

Email: cschock@nd.gov

As a part of Nelson-Griggs District Health Unit's commitment to addressing the opioid crisis in our community, we have developed a plan for the utilization of the opioid settlement funds allocated to the county of Nelson and Griggs Counties. With the approval of Nelson County Commissioners, Griggs County Commissioners, and Nelson-Griggs District Health Unit intends to use the Subdivision Opioid Settlement Funds:

- To provide and support education to the youth to discourage use
 - Implement education to school-based and youth-focused programs that discourage or prevent misuse
 - Funding for evidence-based prevention programs in schools

Nelson-Griggs District Health Unit is committed to the use of these funds to address identified areas of need related to the opioid crisis in Nelson and Griggs Counties in accordance with the core abatement strategies from the state. This plan may be adjusted to meet changing needs.

Sincerely,

Cassandra Schock, RN Administrator
