

Mother's Day Women's Way Toolkit

With your help,

we can raise awareness of the importance of breast and cervical cancer screenings. We've created this toolkit to help do just that. Spread the word this Mother's Day with these social media materials! We encourage you to share the following videos and graphics to your social media channels to help us spread the word and create a healthier future for our North Dakota women.

WOMEN'S WAY
A Breast & Cervical Cancer
Early Detection Program

Get the message out to the community!

Share the following videos, graphics, and the accompanying post copy to raise awareness of the importance of screening and how Women's Way is here to help.

Post 1

Give yourself the gift of life-saving cancer screenings this Mother's Day!
