

NEXT STEPS: ACCESSING SERVICES THROUGH THE NORTH DAKOTA MEDICAID 1915(i) STATE PLAN AMENDMENT

Now that you are eligible for 1915(i) services, your next step is to connect with a Care Coordinator

- Visit hhs.nd.gov/1915i. Choose "Find an Enrolled Provider" and contact the provider you choose. You may also contact the 1915(i) Navigator by email at nd1915i@nd.gov; or by phone at 701-328-4850 for assistance.
- Your Care Coordinator will work with you to develop your Person-Centered Plan of Care and help you connect with providers for the other 1915(i) services you need.

SERVICES AVAILABLE THROUGH 1915(i)

Care Coordination: the person who helps you develop your plan and access the other services you need

Training and Supports for Unpaid Caregivers: help for your caregiver to learn ways to support you

Community Transitional Services: money to help move into your own home after living in a group home, treatment center, or nursing home

Benefits Planning: help to learn about your benefits and how things change when you get a job

Non-Medical Transportation: rides to activities or non-medical appointments in your community

Respite: short term help for you while your caregiver can't be there

Prevocational Training: help for a short time so you can learn work or volunteer skills

Supported Education: support to help you achieve your academic goals

Supported Employment: help getting and keeping a job in your community

Housing Support: help so you can be successful living in your own home

Family Peer Support: people your family can connect with who also help support loved ones

Peer Support: people you can connect with who have overcome challenges like yours
