### 1915(i) Eligibility Criteria

The SFN 741 1915(i) Eligibility Application serves as the official request for 1915(i) eligibility determination. The Zone must complete the eligibility determination no later than five (5) business days after receiving the completed application.

An applicant is eligible for the 1915(i) if all of the following criteria are met:

- Age 0+
- Recipient of Traditional Medicaid or Medicaid Expansion
- Federal Poverty Level is at or below 150% (**Federal Poverty Level**)
- Has a qualified 1915(i) Behavioral Health diagnosis (**Diagnosis List**)
- Has a complex score of 25 or higher on the WHODAS 2.0 assessment; or a score of 5 or lower on the DLA
- Does not reside in an institution

At any point a member doesn't meet one of the eligibility criteria, they are not eligible for the 1915(i).

### SPACES COE Codes Identifying Traditional and Expansion Coverage

- Save letter as PDF and upload into FileNet using Shortname 88 with the description Denial Letter.

### Suspension of Eligibility

When an eligible individual enters a non-compliant HCBS setting for 6 months or less, eligibility will be suspended, not closed. Closure will occur when an individual is placed in a non-compliant setting for 6 months or more or whenever their eligibility expires, whichever occurs first.

The Zone will change the case status to suspended in the 1915(i) Web System and back to approved upon the individual’s discharge. The 1915(i) eligibility dates will remain in the system.

To suspend 1915(i) eligibility for an existing member, follow the steps above for “Search for an Existing Application for an Existing Member”. Click the “Application ID” for the “Approved” application and update the following:

1. Client “Status” is updated to “Suspended”.
2. Add any relevant notes.
3. Click “Save”.

### Closure of Eligibility

At any time one of the 1915(i) eligibility criteria is not met after an applicant has been determined eligible, their eligibility must be closed in the 1915(i) Web System.

\*Note, no changes can be made to an application once “Closed” status is selected or saved.

- Select “Pending” status to make changes.

**The 1915(i) Web System automatically closes a case when 1915(i) eligibility has expired. If a case was automatically closed due to expiration, an eligibility closure letter will be generated and sent by the State.**

To close 1915(i) eligibility for an existing member, follow the steps above for “Search for an Existing Application for an Existing Member”. Click the “Application ID” for the “Approved” application and update the following:

1. Only update the current “Traditional Medicaid End Date” or “Medicaid Expansion End Date” if closure is due to Medicaid ineligibility.
  - Use the date Medicaid ended in SPACES for the “Traditional Medicaid End Date” or “Medicaid Expansion End Date”.
  - Dates require a four (4) digit year.
2. Update any eligibility criteria that has changed and is not being met.
  - Ex. FPL increased to over 150%, update the “Federal Poverty Level at or Below 150%” to “No”.
3. Go to “1915(i) Eligibility Dates” section (see below).

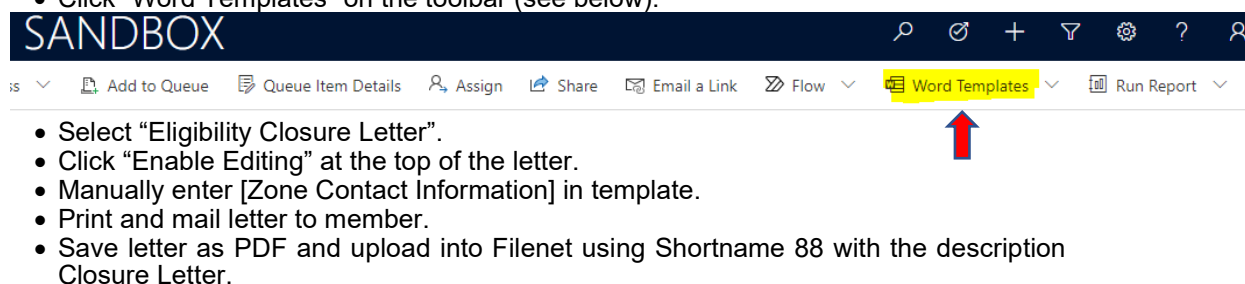

1915(i) Eligibility Dates

Start Date	* 1/1/2021	End Date	* 1/31/2021
Review Date	* 1/31/2021		

- Update the “End Date” and “Review Date” per policy. See 1915(i) Eligibility Closure Dates section in the [Eligibility Policy](#).
  - Date requires a four (4) digit year.
  - “Review Date” will be the same as the “End Date”.
4. Update the client status to “Closed”.

5. Select the reason(s) for closure.
6. Click "Save".
7. Send the following to the individual:
  1. Closure letter
    - Click "Word Templates" on the toolbar (see below).

### Annual 1915(i) Eligibility Redetermination

A 1915(i) eligibility redetermination must be completed at least annually.

When an annual 1915(i) eligibility redetermination occurs, complete the following:

"Create a New Application for an Existing Member" (steps identified above) and follow the instructions above depending on "Approval of Eligibility" or "Denial of Eligibility".

**Note:** Never create a new 1915(i) eligibility span in an existing application. Always create a new application.

### Care Coordinator Request for Information

After the member has chosen their care coordination provider, the care coordinator will request eligibility related documents from the Human Service Zone. The Zone will receive a Request of Information from the care coordinator, upload it into the web-based system, and send the following to the care coordinator for plan of care development:

1. SFN 741 1915(i) Eligibility Application,
2. WHODAS assessment and scoresheet, or DLA assessment
3. 1915(i) Eligibility Dates, and
4. Whether the individual is on Traditional Medicaid or Medicaid Expansion.
