Healthy and Safe Communities Section

Support individuals, families and communities by providing quality preventive programs and services that equitably protect and enhance the health and safety of all North Dakotans.

COMMUNITY ENGAGEMENT

Krissie Guerard

 Works alongside North Dakota communities in addressing health-related needs to reduce disease rates by providing opportunities for interventions and improving access to health care; thereby, ensuring all North Dakotans have the ability to reach their optimal health.

FAMILY HEALTH & WELLNESS

Deanna Askew

 Works collaboratively on evidence-based initiatives that promote healthy, safe and active North Dakotans at every stage of life and the environments that support them.

HEALTH PROMOTION & CHRONIC DISEASE PREVENTION

Susan Mormann

 Promotes and improves health at every stage of life through evidence-based and culturally reflective strategies that prevent and manage chronic disease.

SPECIAL HEALTH SERVICES

Kimberly Hruby

 Promotes a system of care and services that improves the health and well-being of individuals with special health care needs and their families.

Improving the lives of North Dakotans

How legislative support and appropriations made an impact in the **2021-2023 biennium**.

11

"Not all individuals have a car or money to go to a blood donation site. It was great to host an event that benefited the community (with the huge blood shortage) and individuals on campus to have an easy and convenient opportunity to donate blood if they so wished."

- Shaena Richard, Health Equity Ambassador

Community Engagement

- Tribal Health Liaisons Trusted Relationships
- Quarterly Tribal Health Director's Meetings
- Contracts with Tribal Nations/urban American Indian community-based organizations totaling over \$550,000 to assist with COVID-19 mitigation efforts, development of culturally relevant health information, etc.
- Over 160 Collaborative Partnerships
- Advisory Boards
- Presentations/Trainings
- Health Equity Ambassador Program

Family Health and Wellness

Breastfeeding/Obesity Prevention

158 businesses are Infant Friendly Workplaces; impacting over 43,000 employees.

Reproductive Health

Provided services to 3,777 women and 973 men in 2021.

Child Passenger Safety

Distributed 347 care sets to lowincome families and inspected 555 child restraints

Men's Health

New program: collaborations, webinar series, PRAMS for Dads.

Injury Prevention/Child Passenger Safety

- Almost 2,000 cribs were distributed to families to provide a safe sleep environment for infants.
- 5,728 calls to the Poison Hotline in 2021.

WIC

Served 16,016 participants including 5,016 infants in 2021.

More on this later

Special Health Services

Coordinated Services

• Served 1,939 children with special health care needs and their families.

Financial Coverage

 Helped families pay for medical services for 521 eligible children, including health care visits and tests to diagnose chronic health conditions early and specialty care needed for treatment.

Newborn Screening and Follow-up

- Screened 11,709 infants.
- Started long-term follow-up.

System Enhancement

Multidisciplinary clinics served over 1,200 children and families.

53 disorders are included in North Dakota's newborn screening panel

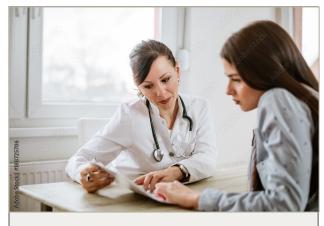

Healthy and Safe Communities Programs - Making a Difference in North Dakotan's Lives!

WIC

Helps eligible pregnant women, new mothers, babies and young children eat well, learn about nutrition and stay healthy.

"I couldn't believe the amount of help and support I received from WIC in being to continue breastfeeding...... They frequently checked in on me...... and were very nonjudgmental....."

Women's Way

Provides a way to pay for breast and cervical cancer screenings for eligible North Dakota women.

"I noticed dimpling.....and, because of Women's Way, I knew that was a bad sign...... They were able to find cancer at stage zero..."

Multidisciplinary Clinics

Provides access to pediatric specialty care and enables families to see different health care professionals in one place at one time.

"This is one of the best experiences I've had at a doctor's appointment with my son. The staff is amazing."

become pregnant so you can receive this coverage.

And so much more!

Summary and Key Takeaways

Strategies driving budget:

- Data and Evidence-based decision making
- Community Engagement
- Social Determinants of Heath
- Policy, Systems and Environmental changes (PSE)
- Infrastructure, Workforce and Data Systems
- Utilizing these strategies is critical so every person has the opportunity to attain their highest level of health
- To succeed, support is needed for key positions and expanded services
 - Tribal Health Liaisons
 - Domestic Violence/Rape Crisis
 - Tobacco Prevention and Control
 - Poison Hotline
