Re: Final Rule Requirements

The North Dakota Department of Health & Human Services, Adult & Aging Services Section, has determined that this provider owned and controlled setting meets the requirements for reimbursement under the Home and Community-Based Services (HCBS) Waiver.

To maintain compliance with the HCBS Settings Rule (42 CFR § 441.301(c)(4)), provider owned and controlled settings must undergo an initial survey, followed by annual surveys after the first compliance determination, and then biennial surveys thereafter.

If you have any questions or would like to discuss this further, please don't hesitate to schedule a meeting.

Thank you,
