**MINOT, N.D.** - Minot Police say four [local](#) businesses failed alcohol compliance checks last Thursday.

The businesses are: Happy Joe's Pizza & Ice Cream, Fox in the Hound's Pub in Noble Inn, China Star and The Trestle Tap House at the Minot International Airport.

This is first time each of these businesses failed a compliance. The employees who served the underage volunteers face misdemeanor charges, and the establishments' liquor licenses are subject to administrative penalties.
