Opioid Settlement Updates – ND AG's office

- The first year of payments were made under the Teva, Allergan, CVS, Walmart, and Walgreen settlements on February 26 and April 22, in the total amounts of approximately \$6.2 million to the state and \$1.1 million to the Counties/Cities.
- The State reached a settlement in the form of a Consent Judgment with Publicis Health, a marketing company that marketed opioids for several opioid manufacturers. We received full payment in the amount of approximately \$590,000 from that settlement in April.
