Good afternoon Behavioral Health Planning Council members,

The North Dakota Department of Human Services' Behavioral Health Division will submit the bi-annual Block Grant application (for both the Substance Abuse Prevention and Treatment Block Grant and the Mental health Services Block Grant) on September 1, 2021.

The Behavioral Health Division requests the Behavioral Health Planning Council members' input on strengths, needs and priorities of the state's behavioral health system to incorporate in the application.

Please complete this survey (www.surveymonkey.com/r/THSLNXN) by **Tuesday, July 13th**.

We look forward to hearing from you and value your input!
