North Dakota Department of Human Services How to Search for Enrolled Providers by Name

Go to the MMIS Web Portal:

https://mmis.nd.gov/portals/wps/portal/EnterpriseHome.

Under Quick Links select "Find a Healthcare Provider."

From there the following will display:

North Dakota MMIS Web Portal				Sep 5, Skip Navigation Contact Us Help S

Find a Healthcare Provider				Print Help =	
Search for a provider using any of the following criteria: Name, Provid	er Type, Provider Specialty, Gender, Language, or Location. I	lease note that no fields are mandatory, but at least	one field must be entered.		
Provider Name Search					
Disclaimer: The providers displayed as a result of this search are currently enrolled to participate in the North Dakota Medicaid Program but they may not be accepting new patients at this time. The information contained on the search results page is current as of the date generated, but can change at any time.					
If you wish to find a specific provider or group practice/hospital, you must ent search for a specific provider, you may optionally enter the first name in the a	er at least the first two letters of the last name of the provider or pr ppropriate field. Click on the Search button when you have entered	actice below. If you spell the entire name, please be sure to the search criteria.	 spell the name correctly, as the system will be looking for an ex 	xact match to what you entered. To narrow the	
Last Name or Practice Name	First Name				
○ Starts With ○ Phonetic	\bigcirc Starts With \bigcirc Phonetic				

You may search for your providers within that area. The phonetic option does not display reliable results so you should use the correct "starts with" information. I typed in Baker as a last name above and 18 records match and the first three are displayed. To advance to the next page of results, click on the page number in the bottom right corner.
