

Child Care Development Fund

A partnership between the North Dakota Department of Human Services' divisions of Economic Assistance Policy and Early Childhood

NORTH
Dakota | Human Services
Be Legendary.™

The North Dakota Department of Human Services administers the Child Care Development Fund (CCDF). Through the CCDF child care providers and families receive these services and support:

- Equal access to the Child Care Assistance Program
- Health and safety standards for all licensed or self-declared providers
- Child Care Resource and Referral agency
- Bright & Early North Dakota, the state's Quality Rating and Improvement System
- Licensing inspection and monitoring information
- Complaint process for families and providers

Learn more about these services.

Child Care Assistance Program (CCAP)

CCAP helps pay a portion of the cost of childcare for working families, or families in allowable training or education programs.

Child Care Licensing

Child care licensing regulations protect and promote child safety and well-being in child care settings. Licensing is one form of protection. Licensed child care offers parents the knowledge that providers are regulated through standards and monitoring.

Bright & Early North Dakota

Bright & Early North Dakota is the state's Quality Rating and Improvement System. The department's initiative ensures that children receive the quality child care and early education they need for success in school and life. It also recognizes and rewards talented child care and early education programs for going above and beyond.
