

ReadyRosie

Hi Families,

This is an exciting year! I will be using a resource called ReadyRosie to communicate with you and to provide meaningful activities that you can do at home to support your child's learning.

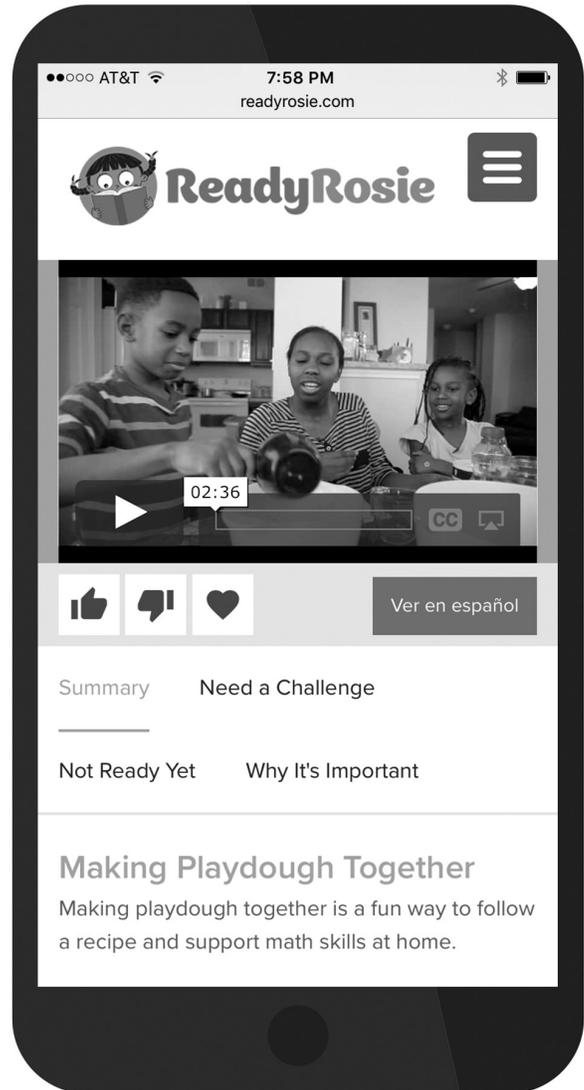

ReadyRosie is a simple tool to:

- Hear what we are doing in the classroom
- Discover activities and games you can play that relate to classroom learning
- Have more fun than ever with your child through meaningful interactions!

The best part is that each activity/ game is modeled in a 2 minute video so you and your child can watch together and then play the game! You will receive these videos and communication via text message and/ or email.

You will soon (or already have) received an invitation by text message or email! All you have to do is accept the invitation and complete the registration process! **We are asking all families to accept the invitation to ReadyRosie this week!**

Thank you for partnering with me and for being active in your child's learning through ReadyRosie!
