

Memo

Please share as appropriate.

To: North Dakota Clinical Laboratories
From: Christie Massen, Director, Division of Microbiology
Date: December 23rd, 2019
Re: 2020 Directory of Services

The 2020 Directory of Services is now available on our website. We have several changes to share with you. Changes include but are not limited to the following:

- CPT Code - 87168 Parasites, Stool: Macroscopic Examination
- Trichomonas Helicase - Dependent Amplification (HDA) is no longer available
- Mandatory Reportable Conditions:
 - Mandatory Reportable Infectious Conditions has been updated
 - *Candida auris* and *Candida haemulonii* has been added

You may view or print the Directory of Services and the Test Request Form from our website at www.ndhealth.gov/microlab.

- Please complete the 2020 Customer Satisfaction Survey at <https://www.surveymonkey.com/s/6RVZPWN> so we can continue to assist your needs.

If you have any questions about a sample, please contact our facility for the recommended guidance. Our laboratory looks forward to continuing our service and commitment to you, our valued customers!

Best regards,

Christie Massen PhD, MS, MLS(ASCP)
