

## Cardiac Ready Community Program

### Letter of Intent

It is the intention of the community of \_\_\_\_\_ to obtain designation as a North Dakota Cardiac Ready Community.

We have chosen \_\_\_\_\_ as the lead organization to oversee our effort towards our Cardiac Ready Community designation.

The chair/chairpersons for our Cardiac Ready Community program will be:

Name(s): \_\_\_\_\_

Address: \_\_\_\_\_

\_\_\_\_\_

Contact Number(s): \_\_\_\_\_

E-Mail(s): \_\_\_\_\_

Our goal is an on-going Cardiac Ready Community campaign. We want to have the best possible chance of survival for anyone suffering a cardiovascular emergency. This will be possible by raising awareness of the signs and symptoms of a cardiovascular emergency (heart attack, stroke, or sudden cardiac arrest); having residents activate the 9-1-1 system for cardiovascular related problems in lieu of going to the hospital by a privately owned vehicle; and having the elements of the Chain of Survival in place.
