Review of past meeting minutes

EMSC position update – Chris Price

Committee Member Updates:

Carma Hanson: Safe Kids in Grand Forks. Talking about injuries in children. Went to schools in the area and did education. Gave out over 300 helmets.

Have a new flyer that will go out

Car seat training will be held the last week in July. Notice on ND web site. Will be a two day training to be a special needs technician in September.

New safe Kids coordinator in ? Her name is Alyssa.

Minot has also done an event for Safe Kids.

Mary hopes to put out a newsletter when she can. Hoping to get one geared to Trauma and then will send an email to Carma.

- All the pedimates have been distributed to the ambulances. Have 50 still available and some agencies have requested additional ones. Mary is reaching out to the ambulances to see if they need an extra one. They do have expiration dates.

Carma talked about doing a webinar for ambulances in the state on guidelines for transporting children and what equipment they have. Question came up if we can work with the HECK group to?

Other Business: Next meeting will be September 13th. Having some problems with the link to this meeting.
