- Chair
- Vice Chair
- Secretary

Open Position - Chair

Chair. The Chair shall:

- a. Carry out responsibilities of leadership for the NDCC;
- b. When present, convene and preside at all meetings of the executive board and of members, and assign coalition members to do the same over committee meetings;
- c. See that all orders and resolutions of the executive board are carried into effect;
- d. Sign and deliver in the name of the NDCC, any contracts or other instruments pertaining to the business of the NDCC, except in cases in which the authority to sign and deliver is required by law to be exercised by another person or is expressly delegated by the executive board to some officer or agent of the NDCC;
- e. Assist with setting meeting agendas and priorities;
- f. Promote collaboration, encourage shared responsibility, share ideas and recommendations, and be open to diverse points of view;
- g. Appoint or reconvene any committee, as needed, to provide advice on priority cancer sites or issues, which may include persons who are not NDCC members; and
- f. Perform other duties prescribed by the executive committee.

Chair Nominee – Julie Garden-Robinson

Julie Garden-Robinson, PhD, RD, LRD, is a professor and Extension Food and Nutrition Specialist at North Dakota State University. She has served on the North Dakota Cancer Coalition since 2011 and on the Steering Committee since 2012. Julie has implemented statewide educational programs using a variety of strategies for more than 10 years related to cancer, especially skin cancer and colon cancer. “Healthwise” programs focusing on cancer awareness have been recognized nationally and other states are using the materials. “On the Move to Better Health” programs reach thousands of children annually in school and afterschool programs with sun safety and nutrition information.

Julie has served on several boards in leadership capacities, including four years on the National Extension Association of Family and Consumer Sciences Board and more than 20 years on the North Dakota Nutrition Council. Julie has experienced the loss of family and friends due to cancer; therefore, she is committed to increasing the awareness of lifestyle factors and screening related to cancer risk prevention. She would look forward to expanding the network to reach more North Dakotans with potentially life-saving information.

Open Position – Vice Chair

Vice Chair. The Vice (co-chair) Chair shall perform the duties and have the powers as may be prescribed by the executive committee. In the absence or disability of the Chair, the Vice Chair shall perform the duties and exercise the powers of the Chair.

Vice Chair Nominee – Brian Halvorson

I was diagnosed with Melanoma the summer of 2007 and struggled with the “why me.” Since I am an educator, it made sense that I needed to get into the classroom and talk to as many kids as possible about sun safety. I have been fortunate enough to do my hour-long presentation over 550 times and have talked to over 11,000 kids about the importance of sunscreen and sun safety. I feel this answers the question “why me,” and I would be honored if I could hopefully help out more people by being a contributing member of the executive committee for the North Dakota Cancer Coalition. Thank you for your consideration.

**Other
Nominations?**

Open Position – Secretary

Secretary. The Secretary shall attend and give notice of all meetings of the executive board and members, make provision for the keeping of a record of all proceedings, keep a current listing of the members of the NDCC, and perform other duties prescribed by the executive board.

***WE CURRENTLY DO NOT HAVE ANY
NOMINEES FOR THIS POSITION.***
