Website and Test Menu Updates 2026

12-8-2025

Effective January 1, 2026, updates to the Laboratory Services' website and Test Menu will be available on our [website](#). We have several changes to share with you. Changes include but are not limited to the following:

- Brucella Antibody Agglutination is no longer available.
- Hepatitis C Virus Genotyping PCR is no longer available.
- Refer to the [Test Menu](#) for price increases of most offered tests to support the cost of reagents and consumables to maintain the quality and reliability of our tests.

If you have any questions, please contact our facility 701.328.6272. Our laboratory looks forward to continuing our service and commitment to you, our valued customers!

- Please complete the [2025 Customer Satisfaction Survey](#) so we can continue to assist your needs.
