

# HOW TO COMPLETE A WRITTEN CERTIFICATION

Patient **talks** with their health care provider and then starts a patient application via the ND Medical Marijuana registration system.

As part of the patient application, the patient enters the **name** and **email address** of the health care provider.

The health care provider receives a **notification** via email that they are requested to complete a written certification for the patient.

Via the registration system, the health care provider **completes the written certification**.

The registration system links the written certification to the patient application. The Division of Medical Marijuana **reviews** the application.

The patient is **issued a registry ID card** if approved.
