

# 2020 North Dakota Mission: Lifeline Virtual

## Learning Objectives

- Review ND Mission: Lifeline Stroke Project/ND Stroke Systems of Care/ND Cardiac Systems of Care key impacts to date, future goals, upcoming events and opportunities as well as statewide data trends and recognition achieved in the GWTG Stroke Registry.
- Define the guideline recommendations related to prevention of stroke and treatment of ischemic stroke including IV Alteplase administration, endovascular therapy and rapid triage and transport of stroke patients.
- Describe deficits and treatments associated with central retinal artery occlusion
- Explain implications of COVID-19 specific to the stroke patient population.
- Identify 12 L ECG contiguous lead morphology patterns in acute coronary syndrome, and common mimics.
- Apply current best practices for prevention and treatment of patients with chest pain, ACS, STEMI/NSTEMI, heart failure and atrial fibrillation according to the ACC/AHA and HFSA national treatment guidelines.

## Target Audience

Nurses and physicians, including emergency medical services personnel, nurses and administration, nurse practitioners, and physician assistants involved in stroke, cardiac, heart failure, hypertension, and rehabilitation patient care management.

## Continuing Education

### Joint Accreditation Statements

In support of improving patient care, this activity has been planned and implemented by the American Heart Association. The American Heart Association is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

#### AMA Credit Designation Statement - Physicians

The American Heart Association designates this live activity for a maximum of 8.25 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

#### AAPA Credit Acceptance Statement - Physician Assistants

AAPA accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit*<sup>™</sup> from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 8.25 hours of Category I credit for completing this program.

#### AANP Credit Acceptance Statement - Nurse Practitioners

American Academy of Nurse Practitioners (AANP) accepts *AMA PRA Category 1 Credit*<sup>™</sup> from organizations accredited by the ACCME.

**\*\*AMA Credit must be claimed within 6 months of attendance. Credit will no longer be available to claim after April 20, 2021.**

#### ANCC Credit Designation Statement - Nurses

The maximum number of hours awarded for this CE activity is 8.25 contact hours.

**\*\*ANCC Credit must be claimed within 6 months of attendance. CME/CE will no longer be available to claim after April 20, 2021.**

#### Continuing Education Accreditation - Emergency Medical Services

This continuing education activity is approved by the American Heart Association, an organization accredited by the Commission on Accreditation of Pre-Hospital Continuing Education (CAPCE), for 8.25 Advanced CEHs, activity number 20-AMHA-F1-0080.

By claiming CAPCE credit, the claimant acknowledges the following: I understand that the American Heart Association as a requirement of CAPCE accreditation will submit a record of my course completions to the CAPCE AMS. I further understand that my course completion records may be accessed by or shared with such regulators as state EMS offices, training officers, and NREMT on a password-protected, need-to-know basis. In addition, I understand that I may review my record of CAPCE-accredited course completions by contacting CAPCE.

#### Disclosure Policy

All persons who develop and/or control educational content in CME/CE activities provided by the American Heart Association will disclose to the audience all financial relationships with any commercial supporters of this activity as well as with other commercial interests whose lines of business are related to the CME/CE-certified content of this activity. In addition, presenters will disclose unlabeled/unapproved uses of drugs or devices discussed in their presentations. Such disclosures will be made in writing in course presentation materials.

**\*Instruction sheet with access code (required to claim/register CMEs/CEs) will be sent out to all attendees after the virtual conference.**

**\*\*Leaners should claim credit commensurate with the extent of their participation in the activity, up to 8.25 hours.**
