Table 1. Dental Services Provided by Dental Students Completing a Clinical Rotation at one North Dakota Federally Qualified Health Center

Year	# of Students	Restorative	Exams	Preventive	Endo	Extractions	# of MA Patients	MA \$ Billed
2018	3	128	22	21	3	49	*	*
2019	4	358	86	62	3	68	394	\$61,035
2020	2	161	41	102	3	18	282	\$35,649
2021	3	220	19	203	0	31	208	\$23,409
* Specific data point not collected for that year								

All North Dakota School-Based Dental Sealant Programs

Figure 4. Total Number of North Dakota Schools Participating in any School-based Sealant Program

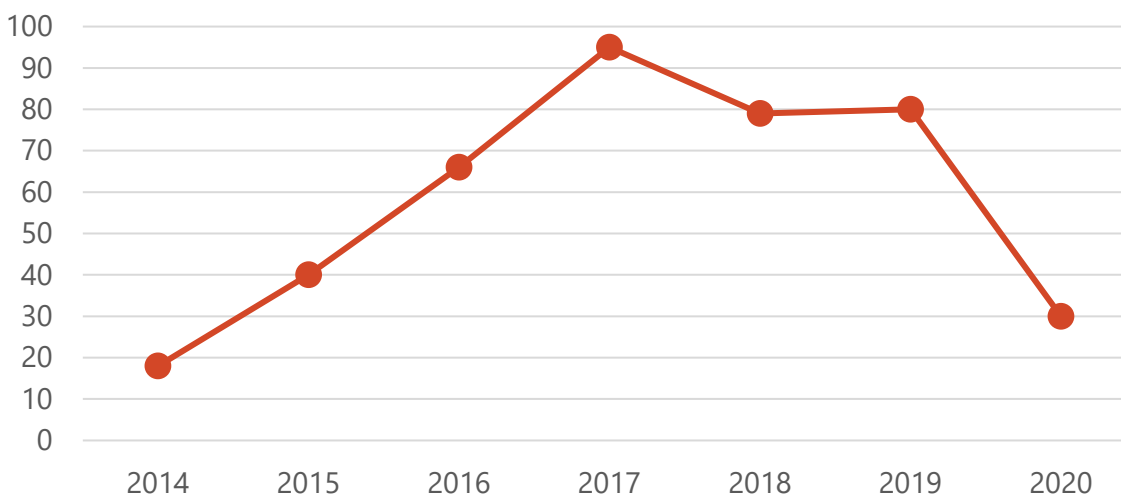

*Data note: Years 2020 and/or 2021 show the data in response to the pandemic

Table 2. Number of Schools in North Dakota with a School-Based Dental Sealant Program by Provider and School Year (Q and NQ Schools)

School Year		14-15	15-16	16-17	17-18	18-19	19-20	20-21
SEAL!ND	Private practice providers	0	0	12	49	32	37	12
	Community Health Centers*	0	8	13	17	17	24	0
	OHP PHH	18	32	41	29	30	19	18
Ronald McDonald Care Mobile		0	12	24	18	18	20	0
TOTAL Schools		18	52	90	113	97	100	30

SEAL!ND: All Schools Served by One School-Based Dental Sealant Program

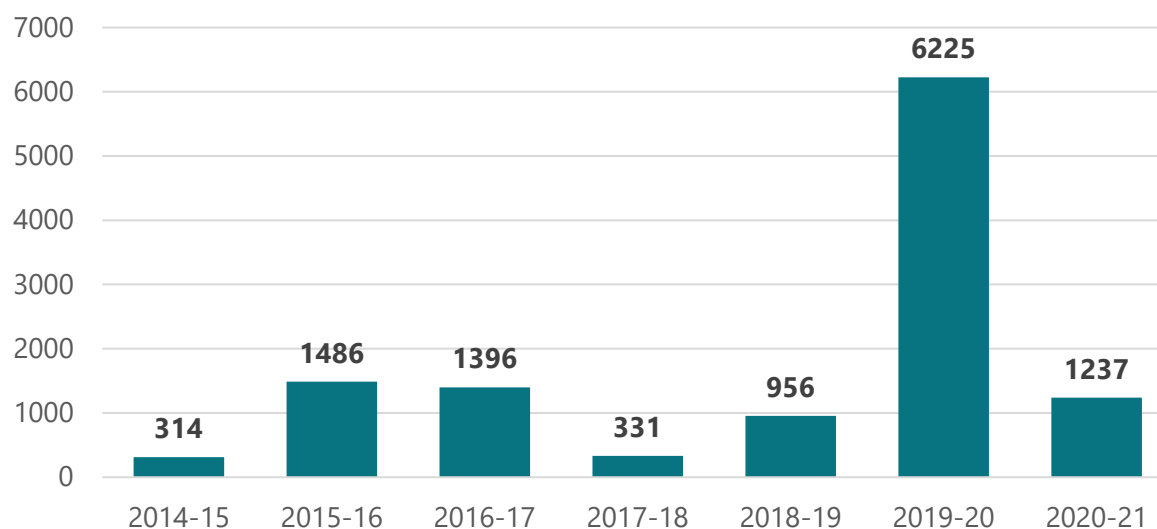

Figure 5. "Number of Schools that participated in SEAL!ND and had a dental screen [Qualifying and non-qualifying schools]"

Data source: North Dakota Department of Health Oral Health Program, SEAL!ND

*Data note: Years 2020 and/or 2021 show the data in response to the pandemic

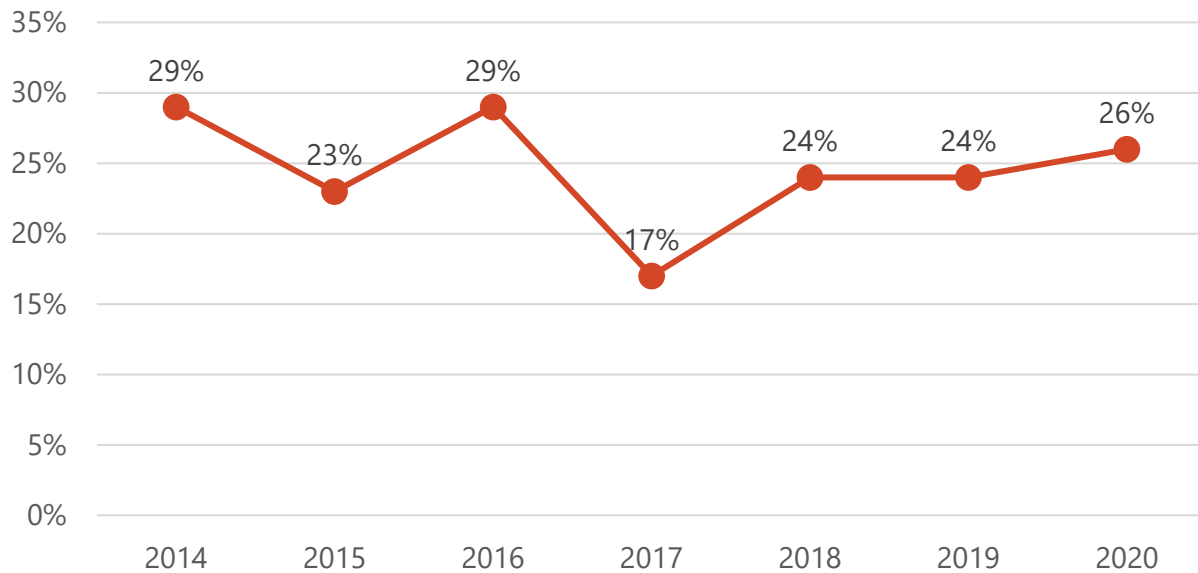

Figure 6. Number of New Dental Sealants Placed for Students that Participated in the SEAL!ND Program from either a Qualifying or Non-Qualifying School

Data source: North Dakota Department of Health Oral Health Program, SEAL!ND

*Data note: Years 2020 and/or 2021 show the data in response to the pandemic

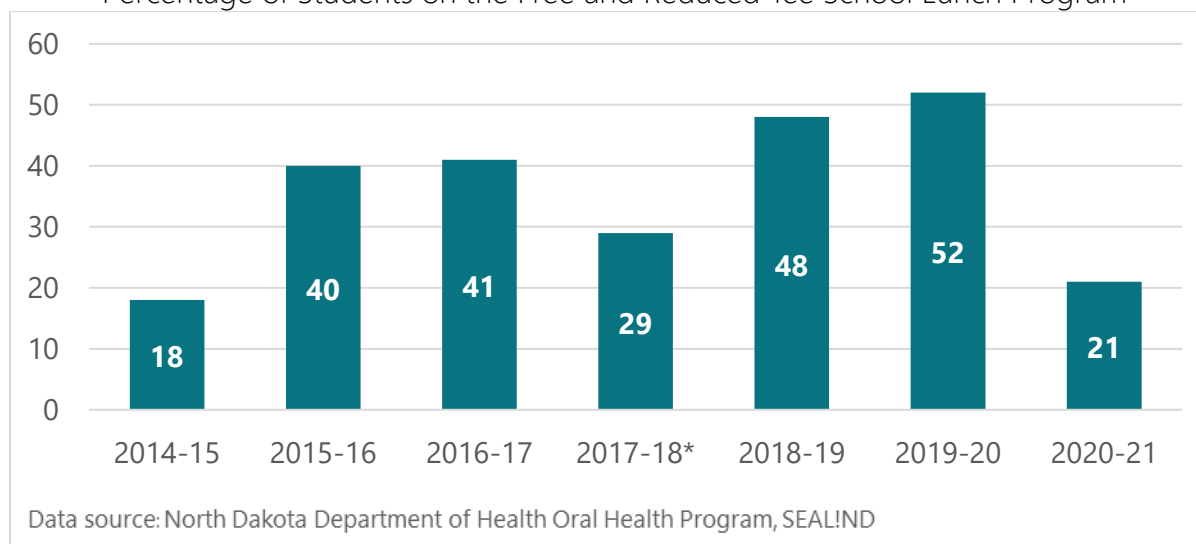

Figure 7. Percentage of Students that Participated in the SEAL!ND Program from either a Qualifying or Non-Qualifying School who were Indicated for Follow-up Care (Early or Urgent Dental Care)

Data source: North Dakota Department of Health Oral Health Program, SEAL!ND

SEAL!ND: Schools Qualifying for Dental Services Based on Need

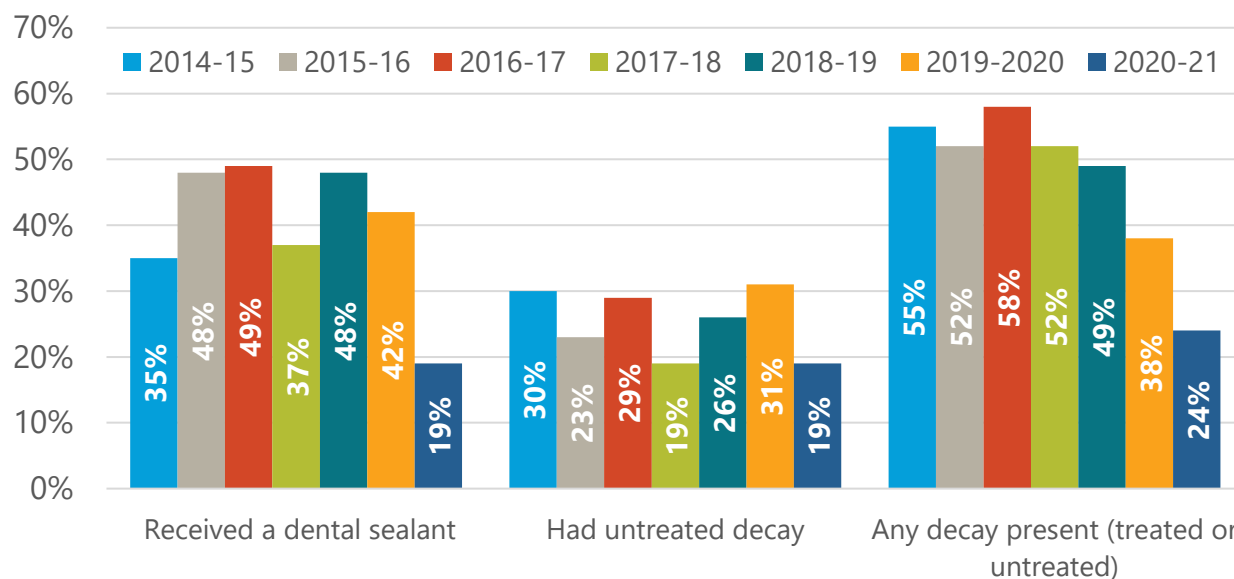

Figure 8. Number of Schools Participating in SEAL!ND that Qualified for Services Based on the Percentage of Students on the Free and Reduced-fee School Lunch Program

*Data note: The visual decline in participation in 2017-18 is an error in reporting and not a true decline in service provision. Data for 2017-18 were only available for schools served by the PHH and did not include services provided to Q schools by FQHCs or private dental teams.

Years 2020 and/or 2021 show the data in response to the pandemic.

Figure 9. Oral Health Need and Services Provided for Students in Participating, Qualifying North Dakota Schools

Data source: North Dakota Department of Health Oral Health Program, SEAL!ND

Medical Dental Integration in Family Medical Center, North Dakota

Table 3. Number of Patients Served by the PHH at the Center for Family Medicine's (CFM's) Asthma and Main Clinics:

Grant Years One Through Three

	Year One a			Year Two b			Year Three c			TOTAL
	Asthma	Main	Total	Asthma	Main	Total	Asthma	Main	Total	
Referred to PHH	39	437	475	119	177	296	89	351	440	1,211
Refused Screening	4	n.d.	4	12	n.d.	12	10	n.d.	10	26
Fluoride Varnish	19	326	345	63	135	198	47	262	309	852
Dental Supplies	39	391	430	80	148	228	76	256	332	990
Brochure	39	219	258	60	114	174	78	174	252	684
Dental Education d	39	410	449	114	165	279	88	333	421	1,149
