

How to Access 3 Easy Steps

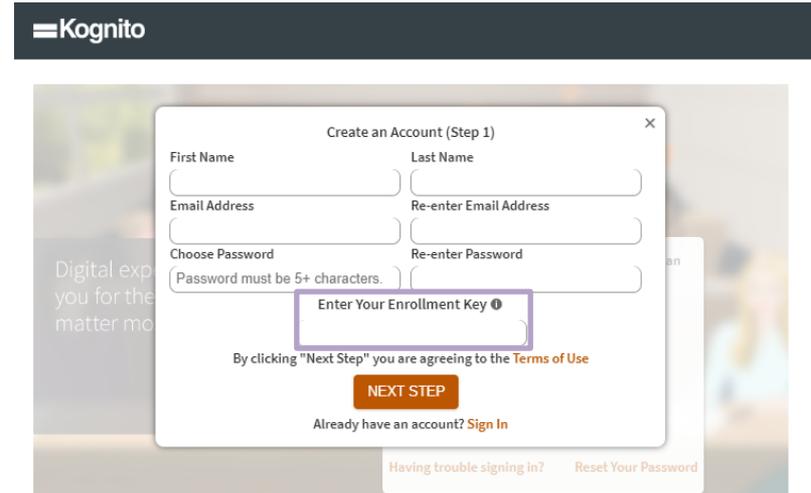

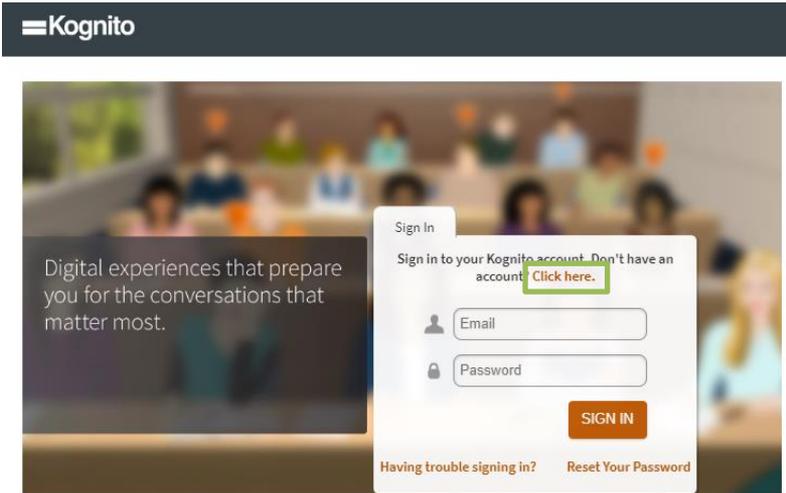

Step 1: Account Set Up

1 Go to www.kognitocampus.com

2 [Click here](#) to create account

3 Populate all blank fields

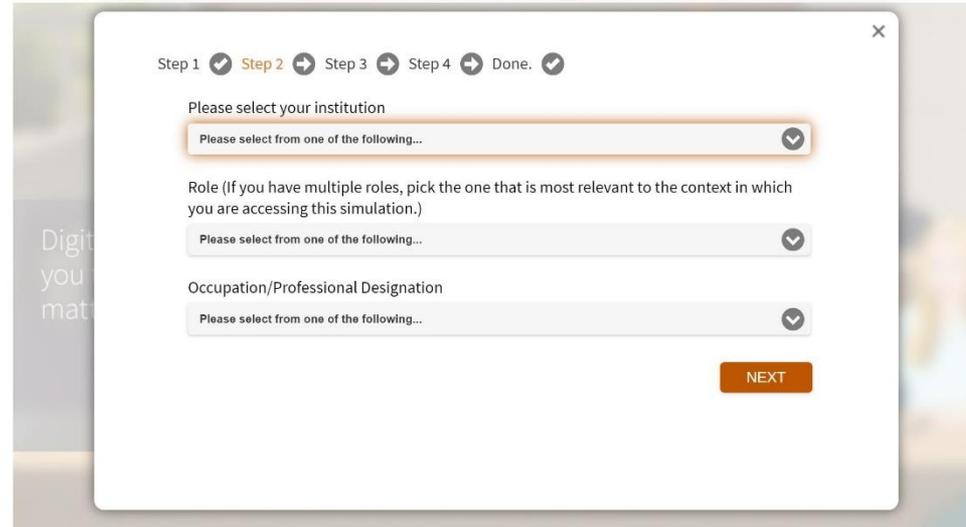

Your Enrollment Key: **nddh600**

**please be advised – when creating your account we strongly recommend that you use your professional email address*

Step 2: Demographics

Select the drop downs to choose your institution, role, and occupation/professional designation (if applicable).

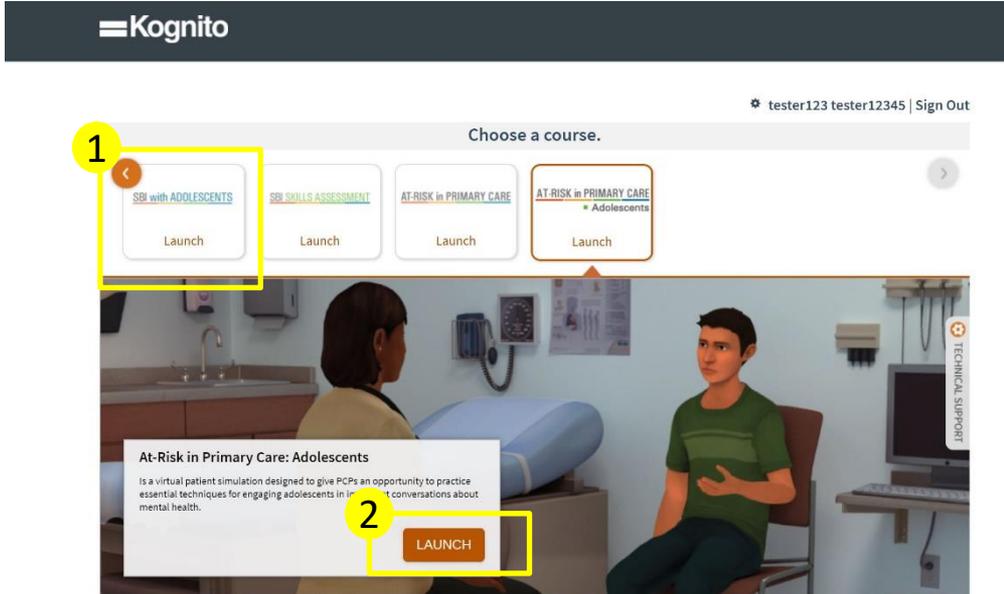

The screenshot shows a modal window titled "Step 2: Demographics" with a progress indicator at the top showing "Step 1" completed, "Step 2" active, and "Step 3", "Step 4", and "Done" as future steps. The form contains three dropdown menus:

- Please select your institution:** A dropdown menu with the placeholder text "Please select from one of the following..." and a downward arrow icon.
- Role (If you have multiple roles, pick the one that is most relevant to the context in which you are accessing this simulation.):** A dropdown menu with the placeholder text "Please select from one of the following..." and a downward arrow icon.
- Occupation/Professional Designation:** A dropdown menu with the placeholder text "Please select from one of the following..." and a downward arrow icon.

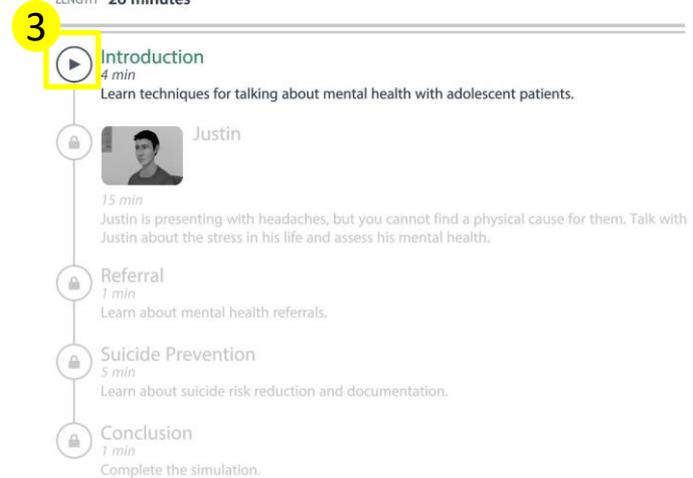

A blue "NEXT" button is located at the bottom right of the form.

Step 3: Launch Page

At-Risk in Primary Care: Adolescents is a virtual patient simulation designed to give primary care physicians an opportunity to practice essential techniques for engaging adolescents in important conversations about mental health.

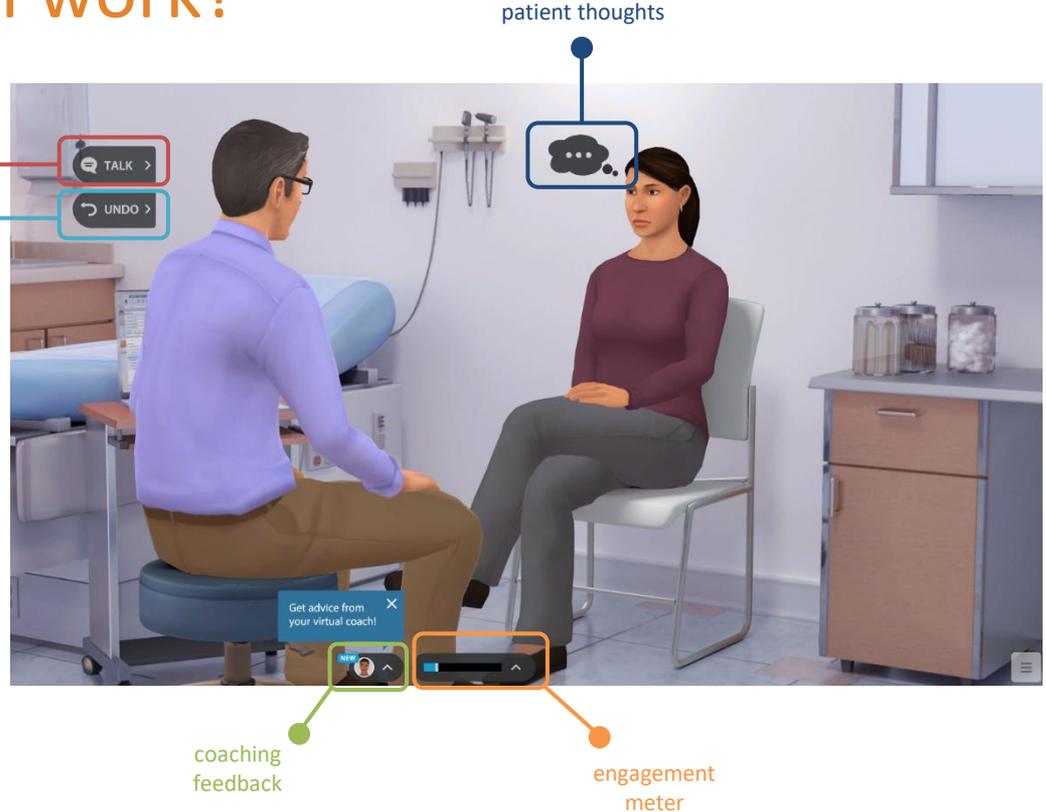

FOR **Primary Care Physicians**
LENGTH **26 minutes**

How does a Kognito SIM work?

- Interact with fully animated virtual patients
- **Navigate** through the scenarios by selecting what to say to the virtual patient
- **Receive instant feedback** from the virtual coach and engagement meter
- **Undo decisions** to explore different approaches to the conversation
- Receive **personalized performance** summary upon completion
