How to Use the Registry Training Calendar

April 2025

The Early Childhood Workforce Registry Training Calendar displays training available across North Dakota. These training events are approved for child care providers and can be used for licensing and professional development.

Training is delivered by many organizations: All the training on the Training Calendar is developed and delivered by a variety of training sponsors. Each training sponsor posts their own information about the training, and each has their own registration and payment policies. Contact the training sponsor directly with questions about their training. Select the View Details button for contact information.

1. Go to <u>www.ndgrowingfutures.org</u> and select Find Training.

On the Find Training page select the Search for Training button.

- 2. On the Search for Training page you can:
 - Use the links in the top search bar to log in or create an account, choose a language, or go the the home page.
 - Browse the training events that are currently available.
 - Use the filters to find the training you need.
