Executive Summary

Concisely summarize the State Plan for Independent Living (SPIL). Do not include anything that the SPIL's other sections do not include. An appropriate length for the executive summary is 1-2 pages.

The mission, goals, objectives, and actions steps of the North Dakota (ND) three-year Statewide Plan for Independent Living (SPIL) for 2025-2027 are defined in Section 1 of the SPIL. The mission of the ND Independent Living (IL) Network, to include the Centers for Independent Living (CIL) and the SPIL is to lead IL Network (North Dakota Centers for Independent Living) by developing resources and advocating for full community participation of North Dakotans with disabilities.

The ND Independent Living Network is made of four CILs as outlined in Section 3 – Existing Network, ND Statewide Independent Living Council (SILC) as outlined in Section 5 – SILC, and the Department of Health and Human Services – Division of Vocational Rehabilitation (VR) as outlined in Section 4 – Designated State Entity (DSE). The SPIL contains four goals to achieve progress toward our mission:

- The Independent Living CIL Network operates effectively, is fully funded and has the capacity to expand to improve service outcomes to North Dakotans with disabilities.
- The SILC and CILs will increase the understanding of the IL philosophy with those served supporting individuals with disabilities to assume greater direct control and responsibility for their services, goals, and lives.
- The SILC, DSE, and CILs will collaborate with other disability organizations.
- The SILC recruits and maintains an active cross-disability consumer-controlled membership.

A consistent set of evaluation measures will assess the impact of each objective to the ultimate areas of change identified and is described in Section 1.4. The evaluation of the SPIL goals and objectives is included in annual reviews of the Program Performance Report (PPR). Annual PPR include tables related to individuals, service, and community activities of the CILs.

The fiscal aspects of the SPIL are explained in Section 1.5 and amounts are defined in the financial table by plan year. The financial narrative provides a summary of the anticipated sources, amounts, and proposed use of funds to support the SPIL goals and objectives by plan year. It includes an explanation of the distribution of the required state match.

The scope of IL services provided, outreach related to unserved and underserved populations, coordination of service and cooperation among programs, and organizations to support inclusive community living are described in Section 2.

The network of North Dakota centers for independent living is identified in Section 3. The existing network, Section 3.1, identifies the CIL by name, geographic area/counties served. Funding of the center activities is explained in Section 3.2 as: federal Title VII Part B; Title VII Part C, and State General Revenue sufficient to meet the required state match to Title VII Part B.

Section 4 represents the Designated State Entity (DSE) response to their administrative responsibilities related to the SPIL. North Dakota Vocational Rehabilitation is identified as the DSE.

Section 5 defines the ND SILC. Section 5.1 relates to the establishment of the SILC and how its autonomy is assured. Section 5.2 explains the SILC resource plan to confirm that the funding is necessary and sufficient to fulfill all duties and authorities. Section 5.3 provides a narrative to address the process used by the State to appoint members to the SILC who meet the composition requirements as defined in section 705 (b) of the Rehabilitation Act.

Section 6 provides legal certifications for the identification of entities involved with authorities and responsibilities for the SPIL. Section 7 identifies the DSE assurances and articulates the administrative role and responsibilities of the DSE. Section 8 provides the SILC Assurances and Indicators of Minimum Compliance, detailing the functions, authorities, and requirements of operating as a SILC.

Section 1: Goals, Objectives, and Activities

1.1 <u>Mission</u> Mission of the Independent Living Network and the SPIL.

The mission of the Statewide Independent Living Council (SILC) is to lead the Independent Living Network (North Dakota Centers for Independent Living) by developing resources and advocating for full community participation of North Dakotans with disabilities.

1.2 <u>Goals</u>

Goals of the Independent Living (IL) Network for the three-year period of the plan.

The SILC along with the designated state entity (DSE) and CIL representatives have established the following four overall goals under the plan for federal fiscal years 2025 – 2027 and has determined them to be consistent with its mission and Title VII, Chapter 1 of the Act.

Goal I: The Statewide Independent Living Council and the Centers for Independent Living will improve service outcomes to North Dakotans with disabilities.

Goal II: The Statewide Independent Living Council and the Centers for Independent Living will increase understanding of the independent living philosophy with those served and other supporting them.

Goal III: The Statewide Independent Living Council, Designated State Entity, and the Centers for Independent Living will collaborate with other disability organizations.

Goal IV: The Statewide Independent Living Council recruits and maintains an active cross-disability, consumer-controlled membership to ensure the Statewide Independent Living Council functions optimally.

1.3 Objectives

Objectives for the three-year period of the plan including geographic scope, desired outcomes, target dates, and indicators. Including compatibility with the purpose of Title VII, Chapter 1.

GOAL I						
The Statewide Independent Living Council and the Centers for Independent Living will improve service outcomes to North Dakotans with disabilities.						
Objectives to be achieved	Time frame start date	Time frame end date				
1. CILs will have financial resources to support full community participation for North Dakotans	10/01/2024	09/30/2027				
2. North Dakotans have access to the services they need	10/01/2024	09/30/2027				
3. The SILC will strive to have updated information so we can serve North Dakotans to the best of our ability	10/01/2024	09/30/2027				
Indicators to be achieved	Time frame start date	Time frame end date				
1.1 The SILC will assist with testimony to request additional state funding so that CILs will have the financial resources to provide all five (5) core services and programs needed for consumers during the legislative session.	10/01/2024	09/30/2027				
1.2 The SILC will create an annual report of statewide IL services that will be shared with pertinent personnel such as disability related organizations, the governor, DHHS executive director, housing, transportation, etc. to educate and provide information on IL services.	10/01/2024	09/30/2027				
2.1 Eighty percent of North Dakotans with disabilities utilizing services from a CIL report that CIL services made a difference in their life as measured by the Consumer Satisfaction Survey sent out by the SILC in the next three years.	10/01/2024	09/30/2027				

		-
2.2 By using the PPR report (baseline), the SILC will explore	10/01/2024	09/30/2027
options for increasing IL services to		
unserved/underserved populations and provide		
recommendations to the CILs in the next three years.		
3.1 The SILC will send at least one person to two conferences		09/30/2027
annually to get the most accurate and updated information		
in which they can present to the entire SILC in the next		
three years.		
GOAL II		
The Statewide Independent Living Council and the Center	rs for Independe	nt Living will
increase understanding to North Dakotans of the independent		
those served and others supporting		
	g thom.	
Objective to be achieved	Time frame	Time frame
	start date	end date
1. ND CILs will have continuity of statewide IL services	10/01/2024	09/30/2027
2. The ND SILC will increase stakeholder awareness of the	10/01/2024	09/30/2027
value of IL services throughout North Dakota		
3. The SILC/CIL members will educate North Dakota	10/01/2024	09/30/2027
community members on IL philosophy		
Indicators to be achieved	Time frame	Time frame
	start date	end date
1.1 Over the next three years ND SILC will develop a best	10/01/2024	09/30/2027
practices policy for IL service delivery using the previous		
34 CFR as guidance.	40/04/0004	
2.1 The SILC will identify a list of key stakeholders that are	10/01/2024	09/30/2027
best positioned to collaborate on needs identified from the		
Statewide Consumer Needs Assessment and invite them		
to attend quarterly SILC meetings for the next three years. 2.2 The SILC will create and distribute a survey to assess	10/01/2024	09/30/2027
current knowledge of community stakeholders, knowledge		09/30/2027
of Independent Living services and use the data collected		
to determine focus areas for community education and		
outreach within the next three years.		
2.3 Prior to each SILC Meeting, regional representatives and	10/01/2024	09/30/2027
CIL staff will work together to invite selected members of	10/01/2021	00,00,2021
the North Dakota state legislature to attend the SILC		
meetings.		
2.4 The SILC will develop a process to ensure presenters and	10/01/2024	09/30/2027
stakeholders are informed about the mission of the SILC	-	
and are aware of available services in the next three		
years.		
3.1 The SILC will develop a follow-up protocol to determine	10/01/2024	09/30/2027
the outcome or availability of services with stakeholders		

3.2 The SILC will create a social media content calendar to educate the community on disability related events to keep us active after it is decided that ND SILC will have a social media presence.	10/1/2024	9/30/2027
GOAL III		1
The Statewide Independent Living Council, Designated St for Independent Living will collaborate with other disabilit North Dakota.		
North Dakota.		
Objectives to be achieved	Time frame start date	Time frame end date
 The SILC and CILs will collaborate to identify and address system barriers to full community participation in urban and rural areas of North Dakota. 	10/01/2024	09/30/2027
 Coordinate with other North Dakota entities to maximize and avoid duplication of services provided by CILs. 	10/01/2024	09/30/2027
 The SILC, SRC, CILs, DSE, and other North Dakota disability- related organizations will maintain open communication on an ongoing basis. 	10/01/2024	09/30/2027
Indicators to be achieved	Time frame start date	Time frame end date
1.1 The SILC and CILs will conduct a triannual consumer needs assessment regarding the effectiveness of IL services and barriers to community participation in ND.	10/01/2024	09/30/2027
1.2 SILC members will participate with the CILs during an annual community forum to assess consumer needs and barriers in ND.	10/01/2024	09/30/2027
2.1 The SILC will coordinate with North Dakota disability entities and providers to promote the core services of Centers for Independent Living and to encourage additional resources for our core services rather than the funding of possible duplicate services.	10/01/2024	09/30/2027
2.2 The SILC will better understand how collaboration and maximizing of fiscal and staff resources is enhanced through inviting disability related organizations to present their organizations services at six quarterly meetings in the next three years.	10/01/2024	09/30/2027
3.1 The SILC will designate members to attend meetings for at least four (4) other disability organizations to represent the SILC and independent living services in ND and report quarterly on what those organizations are doing for the	10/01/2024	09/30/2027
GOAL IV	1	1
next three years. GOAL IV The Statewide Independent Living Council recruits and r disability, consumer-controlled membership to ensure th Living Council functions optimal	he Statewide Ir	

Objective to be achieved	Time frame start date	Time frame end date
1. The ND SILC will have a diverse council with representation throughout the state of ND	10/01/2024	09/30/2027
2. New members understand the role of the ND SILC and their role on the SILC	10/01/2024	09/30/2027
3. The ND SILC will have good leadership from throughout the state to fulfill the role of the ND SILC	10/01/2024	09/30/2027
 The ND SILC will ensure they are on track to meet their regional and state goals 	10/01/2024	09/30/2027
5. The ND SILC will be in compliance with federal standards	10/01/2024	09/30/2027
Indicators to be achieved	Time frame start date	Time frame end date
1.1 The SILC will work with the Governor's office to fill appointments with qualified individuals that can benefit the council, each time a new application is submitted.	10/01/2024	09/30/2027
1.2 The SILC will research and implement ways to expand our marketing into areas of social media and other strategies deemed valuable in the recruitment of quality SILC members in the next three years.	10/01/2024	09/30/2027
1.3 In the next three years, the SILC will analyze the make-up of the council to assess areas that are underrepresented so that those can be areas of future recruitment to allow for better diversity.	10/01/2024	09/30/2027
2.1 SILC members will be made knowledgeable about the roles and responsibilities of the SILC and its committees, IL philosophy, IL services and IL standards, and indicators within the first two meetings of their first term on the council to effectively participate and engage in the SILC.	10/01/2024	09/30/2027
2.2 Each new member will tour a local CIL and meet with staff and consumers to understand how the CIL operates and services they provide within the first two meetings of their first term.	10/01/2024	09/30/2027
3.1 The SILC will vote on officers every two years that will ensure the best interest of the council are met.	10/01/2024	09/30/2027
3.2 The SILC Chair will appoint committee chairs and will also appoint SILC members to a subcommittee to help the SILC function for the next three years.	10/01/2024	09/30/2027
3.3 The SILC will analyze the officer positions to determine if there are gaps to ensure that the SILC is able to function appropriately in the next three years.	10/1/2024	09/30/2027
4.1 On a quarterly basis, the SILC will monitor progress on the SPIL related to goals, objectives, and indicators for the next three years.	10/01/2024	09/30/2027
4.2 Each SILC member will complete an annual training needs assessment each fall to determine the training	10/01/2024	09/30/2027

needs provided at quarterly meetings for the next three years so the SILC can ensure that members are able to fully engage in the council.		
4.3 Each SILC member will complete an annual survey each fall to determine their level of involvement on the council and any changes they would like to see made to make sure the council is functioning optimally for the next three years.	10/01/2024	09/30/2027
5.1 The SILC will identify and recommend changes be made to the state legislative and administrative rules to be in compliance, prior to legislative sessions.	10/01/2024	09/30/2027
5.2 Annually, the SILC will review policies, bylaws, and guidebook to ensure the SILC will be in compliance with federal standards and indicators.	10/01/2024	09/30/2027

1.4 <u>Evaluation – Aimee Will Need to Complete once the Indicators are Done</u> Methods and processes the SILC will use to evaluate the effectiveness of the SPIL including timelines and evaluation of satisfaction of individuals with disabilities.

Timeline	Goals (copy from section 1.2 above)	Objectives (copy from section 1.3 above)	Data to be collected	Data collection method	Organizatio n primarily responsible for data collection (please check as many as apply)
Throughout 3-year period	Improve service outcomes to North Dakotans with disabilities	CILs will have financial resources to support full community participation	Create an annual report of IL services	ND Census data 704 reports and surveys	⊠ CIL ⊠ DSE ⊠ SILC
Throughout 3-year period	Same as above	North Dakotans have access to the services they need	Determine if individuals that utilized a CIL benefited Options for increasing IL services to unserved/underser ved populations	Needs Assessment Survey 704 report	⊠ CIL ⊠ DSE ⊠ SILC

Throughout 3-year period	Same as above	The SILC will strive to have updated information so we can serve North Dakotans to the best of our ability	Sending SILC members to conferences	Administrative Data	⊠ CIL ⊠ DSE ⊠ SILC
Throughout 3-year period	The SILC and CILs will increase understandin g of the IL philosophy with those served and others supporting them	ND CILs will have continuity of statewide IL services	Develop a best practice policy for IL service delivery to ensure continuity of IL practice statewide	Use the CFR to come up a with a policy to use statewide	⊠ CIL ⊠ DSE ⊠ SILC
Throughout 3-year period	Same as above	The ND SILC will increase stakeholder awareness of the value of IL services	Identify key stakeholders and invite them to SILC quarterly meetings	Statewide Consumer Needs Assessment Survey to identify the areas of most need to get those stakeholders	⊠ CIL ⊠ DSE ⊠ SILC
			Assess current knowledge of IL philosophy to determine educational areas	Create a survey that we will give to stakeholders	
			Invite local and state officials to attend quarterly meetings	Will be assigned to a subcommittee and tracked administratively	
			Determine the outcome or availability of	Subcommittee will develop a	

			services with stakeholders that attend our meetings	protocol for stakeholders that attend the SILC meetings for future needs	
Throughout 3-year period	Same as above	The SILC/CIL members will educate community members on IL philosophy	Create an annual report to reflect numbers served, advocacy, systemic barriers, etc. to statewide stakeholders	704 report	⊠ CIL ⊠ DSE ⊠ SILC
Throughout 3-year period	The SILC, DSE, and CILs will collaborate with other disability organization s	The SILC and CILs will collaborate to identify and address system barriers to full community participation	Effectiveness of IL services and barriers to community participation Educate stakeholders on CIL referral process Hold annual community forum to address consumer needs and barriers	Triannual Consumer Needs Assessment This will be tracked administratively by the CIL directors or designee This will be tracked by the CIL Director administratively and feedback will be documented and presented to the SILC	⊠ CIL ⊠ DSE ⊠ SILC
Throughout 3-year period	Same as above	Coordinate with other entities to maximize and avoid duplication of services provided by CILs	Track bills and administrative policy that pertain to IL services Invite other disability organizations to SILC meetings to maximize collaboration	Administratively This will be tracked administratively	⊠ CIL ⊠ DSE ⊠ SILC

Throughout 3-year period	Same as above	The SILC, SRC, CILs, DSE, and other disability- related organization s maintain open communicati on on an ongoing basis	Designate members to attend meetings at other disability organizations	This will be tracked and recorded administratively	⊠ CIL ⊠ DSE ⊠ SILC
Throughout 3-year period	The SILC recruits and maintains and active cross- disability,	The SILC will have a diverse council	Work with the Governor's office for appointments Use social media to get new SILC	Administratively Track this administratively	⊠ CIL ⊠ DSE ⊠ SILC
	consumer- controlled membership to ensure the		members	by reaching out the CILs	
	SILC functions optimally		Analyze the make- up of the council	Looking over our current membership spreadsheet to determine who is not represented - Administratively	
Throughout 3-year period	Same as above	New members understand the role of the SILC and their role on the SILC	New SILC members are knowledgeable about roles and responsibilities and understanding of IL services	Administratively as we have an orientation binder where this information is tracked for both of these items	⊠ CIL ⊠ DSE ⊠ SILC
	•		<i>New members tour a CIL to understand how a CIL operates</i>

Description of financial plan narrative.

The Financial Table listed above was developed using the amounts obtained from the 2023 Independent Living Services Grant Notice of Award (NoA). These amounts change year by year. Because of this there is no definite way to accurately determine amounts, so this is a best estimate with the information that was available.

Subchapter B funding of \$348,060 will be utilized to provide independent living services to North Dakotans with disabilities. Distribution of funds is allocated using the funding

formula located in Section 3.2 of the SPIL. The DSE does not retain any part of Part B funding for administration.

Subchapter C funding of \$399,257.50 will be utilized to support the four CILs in North Dakota in operating expenses and serving clients. In accordance with Title I and Title VII of the Rehabilitation Act of 1973, as amended the funds will be utilized to provide the five core services and goals, objectives, and activities identified per the SPIL.

Other funds include \$34,096 per year by the VR Basic Support 110 Funds for SILC including salaries and fringe benefits for SILC members, travel for SILC members to quarterly SILC meetings, professional development for conferences and membership dues, and professional service fees for interpreter fees.

North Dakota State provided \$877,410.50 in state general funds including the 10% state match for the CILS to utilize for general operations. These funds were legislatively approved for the 2023-2025 biennium.

Our contracts are signed biannually by each of the four CILs in North Dakota. In North Dakota we do not have a competitive process as we fund all four CILs per the funding formula in Section 3.2 of the SPIL. If there are carryover funds they would be included in the next biannual contract.

Section 2: Scope, Extent, and Arrangements of Services

2.1 Services

Services to be provided to persons with disabilities that promote full access to community life including geographic scope, determination of eligibility and statewideness.

Table 2.1A: Independent living services	Provided using Subchapter B	Provided using other funds	Provided by
Core Independent Living Services, as

2.2 Outreach

Identify steps to be taken regarding outreach to populations that are unserved or underserved by programs that are funded under Title VII, including minority groups and urban and rural populations.

2.2 Outreach

Identify steps to be taken regarding outreach to populations that are unserved or underserved by programs that are funded under Title VII, including minority groups and urban and rural populations.

The SILC assesses the service demographics on an annual basis and uses this information to discuss how to revise its annual objectives for tis outreach plans. Considering the underfunding of the Independent Living Program on a whole both federally and on a state basis, the Independent Living Program has traditionally had to be very resourceful in the way services are provided. As further described within Section 3.2 the application of the terms "unserved" and "underserved" in relation to the amount of funds needed to actually reach the population of people with disabilities within the state is so low it goes without saying all demographic groups are part of either an underserved or underserved group. The SILC assesses the service demographics on an annual basis and uses this information to discuss how to revise its annual objectives for its outreach plans.

<u>Unserved</u>

The North Dakota SILC looks at two measures in defining unserved populations. The first involves those persons with significant disabilities within the state which do not have access to all a Centers Core Services in a level equal to others who reside at or in close approximation to locations where a center staff person is based. The second is whether a specific identifiable population is not represented within the yearly consumer demographic data supplied by the four Centers located within the state. The demographic data includes county of residence, gender, disability, ethnicity, and age as found within each Centers' Annual Program Performance Report (PPR).

<u>Underserved</u>

The methods used to identify underserved groups involve the application of processes similarly used for the identification of unserved groups. Underserved groups are those which do have access to all the core services, but the demographic groups of users are not in statistically significant amounts to match the numbers found within the State as compared to the demographic data identified by the US Census.

Additionally, Council Members follow emerging disability groups that have inequities in service delivery within the State so the SILC can incorporate their specialized needs into its plans and follow the changing demographics of the population to ensure we are prepared and proportionately meeting their needs. Examples of this has involved having representatives of the Spinal Cord Injured and Traumatic Head Injured on the SILC as well as representatives of service providers for the aged on the SILC. The SILC has also continued to include at least one Native American representative whether a private citizen or through referral from one of the various 121 Programs.

Four SILC representatives are assigned collaborative roles with statewide groups as part of their SILC Board Member Positions. The committees the SILC is currently collaborating with is the North Dakota Committee on Aging, State Rehabilitation Council, Olmstead Commission, and the North Dakota Brain Injury Council. Time is set aside at each meeting to report on topics from the meetings highlighting information that the SILC should be aware of or consider coordinating with. Since each individual Center's Director or their designee is also part of the meeting, they have the opportunity to hear the information and discuss opportunities presented.

North Dakota has and will continue to have representatives from one of its Reservations either formally representing a Native American Service Provider such as a 121 Program or a minority group member who is Native American to inform the SILC of the best practices for service delivery for their members. Native Americans are the largest minority group served in North Dakota currently and historically. Through the analysis of the data on a micro level it was found that urban Native Americans may not be represented on an equal level. Because of this the External Affairs Committee will set up instructional two seminars, one from each, during two of the SILC meetings from an urban Native American Cultural Organization and a Native American Cultural Group found on one of North Dakota Higher Education Campuses.

Plan

Through reporting from the Statewide Needs Assessment, there are several individuals that report being underserved due to a lack of resources in the community they reside to include accessible transportation, housing, employment, and education.

Those underserved include youth with disabilities and individuals at risk or currently residing in institutional placements.

Youth that have the need for independent living services to facilitate their successful transition from secondary to post-secondary education or their transition from secondary education into the workforce. Individual's living or at risk of entering in institutional facilities need independent living services to increase independence and autonomy.

Through reporting from the Statewide Needs Assessment, there are a number of individuals that report being underserved due to a lack of resources in the community they reside to include accessible transportation, housing, employment, and education.

2.3 Coordination

Plans for coordination of services and cooperation among programs and organizations that support community life for persons with disabilities.

The SILC, CILs, and the DSE have developed several objectives in this SPIL that foster cooperation, coordination, and working relationships among many entities including the CILs, the DSE, the State Rehabilitation Council (SRC) and others.

Accomplishment of the objectives and corresponding action steps will be assigned to SILC committees or the CILs, where appropriate, with reports on progress provided by committee chairs at the SILC meetings. Examples of cooperation and collaboration include SILC members that are designated/appointed to other committees. The SILC members report information from the meeting at the quarterly SILC meetings. We also extend invitations to various disability-related agencies to attend the SILC meetings.

The SILC, DSE, and CILs will work to create a stronger working relationship between disability related organizations. Primary entities with whom the SILC, DSE, and CILs will cooperate and coordinate include, but are not limited to, the following:

North Dakota Center for Persons with Disabilities North Dakota Department of Human Services – Aging Programs Money Follows the Person Grant State Rehabilitation Council (SRC) Veterans Organizations Protection and Advocacy Vocational Rehabilitation Mental Health Association Client Assistance Program (CAP) American Indian Groups Brain Injury Network of North Dakota Olmstead Commission Medicaid Advisory Committee Developmental Disabilities Division Program and Service of the State Assistive Technology Act (Tech Act) North Dakota Vision Services/School for the Blind High Plains Fair Housing Committees on Accessible Transportation Social Services Senior Services State Long Term Care Ombudsman

The SILC and the CILs remain committed to coordination, collaboration, and avoidance of all unnecessary duplication of services. All recognize that resources are too scarce to do otherwise. In addition, many of the objectives in section 1.2 of this SPIL are designed to foster communication and collaboration with each of the following: special education, vocational education, developmental disabilities services, public health, mental health, housing, transportation, veterans' services, and programs under **XVIII – XX** of the Social Security Act. The SILC is made up of various ex-officio members who also are employees of various State Departments within North Dakota. Additionally, CIL Staff are members of various State and local task forces, committees, governing boards, and consortiums that are a benefit to people with disabilities within the State.

Section 3: Network of Centers

3.1 Existing Centers

Current Centers for Independent Living including: legal name; geographic area and counties served; and source(s) of funding. Oversight process, by source of funds (e.g., subchapter B, subchapter C, state funds, etc.) and oversight entity.

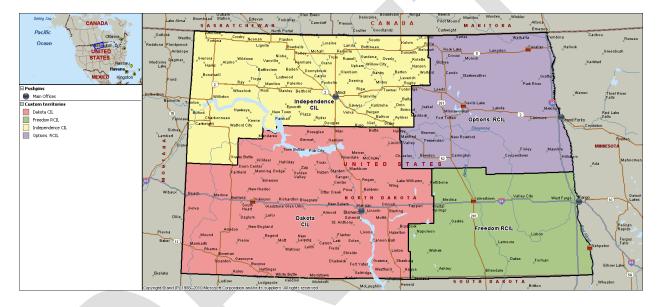

Name of CIL	Geographi c Area	Counties Served	Source of Funding	Oversight Process	Oversight Entity	SPIL Signatory
Independ ence Resource Center for Independ ent Living	Northwest Main office in Minot with a branch office in	Bottineau, Burke, Divide, Renville, Rolette, McHenry,	Subchapter B with required 10% state funds & state IL general funds	Administered according to the SPIL with fiscal reviews	DSE and CIL board of directors	Yes
	Bottineau	McKenzie, Mountrail, Pierce, Ward,	Subchapter C	Provided from ACL	ACL and CIL board of directors	
		Williams	Other state agency funds	Provided to CILs	ACL and CIL board of directors	
			Other public and/or private sources	Developed by CILs, and may include fee-for-service funds, grants or contracts, corporate and foundation grants, donations, etc.	ACL and CIL board of directors	
Options Interstate Resource Center for Independ ent Living	Northeast Main office in Greater Grand Forks with branch offices in:	Benson, Cavalier, Eddy, Foster, Grand Forks, Griggs,	Subchapter B with the required 10% state funds & state IL general funds	Administered according to the SPIL with fiscal reviews	DSE and CIL board of directors	Yes
	Harvey, Devils Lake	Nelson, Pembina, Ramsey, Steele,	Subchapter C	Provided from ACL	ACL and board of directors	
		Towner, Traill, Walsh, Wells	Other state agency funds	Provided to CILs	ACL and CIL board of directors	
			Other public and/or private sources	Developed by the CILs, and may include fee-for-	ACL and CIL board of directors	

Freedom Resource Center for Independ ent Living	Southeast Main office in Fargo with branch offices in Webpeter	Barnes, Cass, Dickey, LaMoure, Logan, McIntosh,	Subchapter B with the required 10% state funds & state IL general funds	service funds, grants or contracts, corporate and foundation grants, donations, etc. Administered according to the SPIL with fiscal reviews	Designated State Entity and CIL board of directors	Yes

			Other state agency funds	Provided to CILs	ACL and CIL board of directors	
			Other public and/or private sources	Developed by the CILs, and may include fee-for- service funds, grants or contracts, corporate and foundation grants, donations, etc.	ACL and CIL board of directors	
Dakota Center for Independ ent Living	Southwest Main office in Bismarck with a branch office in	Adams, Billings, Bowman, Burleigh, Dunn, Emmons, Golden	Subchapter B with the required 10% state funds & state IL general funds	Administered according to the SPIL with fiscal reviews	DSE and CIL board of directors	
	Dickinson	Valley, Grant, Hettinger, Kidder,	Subchapter C	Provided from ACL	ACL and CIL board of directors	
		McLean, Mercer, Morton, Oliver,	Other state agency funds	Provided to CILs	ACL and CIL board of directors	
		Sheridan, Sioux, Slope, Stark	Other public and/or private sources	Developed by the CILs, and may include fee-for- service funds,	ACL and CIL board of directors	

grants or contracts, corporate and foundation grants, donations, etc.
--

In North Dakota, the CIL Network includes all four of the CILs in the state. They include: Independence Center for Independent Living, Options Resource Center for Independent Living, Freedom Resource Center, and Dakota Center for Independent Living. All the CILs are SPIL signatories. The CILs each submit their PPRs to ACL.

Please refer to the map below to see a pictorial of the CILs and the areas that are covered by each CIL to ensure that all areas of North Dakota have services available.

3.2 Expansion and Adjustment of Network

Plan and priorities for use of funds, by funding source, including Subchapter B funds, Subchapter C funds, State funds, and other funds, whether current, increased, or onetime funding and methodology for distribution of funds. Use of funds to build capacity of existing Centers, establish new Centers, and/or increase statewideness of Network.

Plan for changes to Center service areas and/or funding levels to accommodate expansion and/or adjustment of the Network.

North Dakota's Statewide Independent Living Council developed a Network Plan shortly after SILCs were established in the law. The network was based on a balance between population and geographic area, while taking into consideration the location of the largest cities within the state. At the time the Network Plan was developed there were three Part C funded Centers which were located in the three most populous cities of Bismarck, Grand Forks, and Fargo (oldest to newest). During this time, the majority of North Dakota's population resided in the eastern part of the state with population projections predicting the population in this area would increase at a faster rate than in the western region of the state. As a result, the eastern Centers (Options IRCIL and Freedom Resource Center) were designed with less geographic area. There were two territorial lines drawn, one east west and the other north south, to delineate the Network which would be covered by the four North Dakota Centers. Considering the low population of North Dakota this was thought the best use of funds without a disproportionate amount of money being spend on administrative expenses caused by an increased number of Centers to serve the same area.

Once the North Dakota IL Network was fully developed, North Dakota was moved from a development period to one of building capacity for the four Centers to serve the population found within each quadrant. To accomplish this, Part B funds which were historically used to fund equipment was evaluated to determine the impact to the population of people with disabilities and determined it would be better spent to fund center staff to provide independent living services. Additionally, State funds were advocated for and appropriated by the legislature so Centers could increase their services. Part C funds, State IL funds and a portion of Part B funds (taking into consideration the amount of Part B funds needed for administrative and SILC expenses) are all used to fund independent living services within North Dakota. The four Centers are all Part C funded Centers, North Dakota has no centers which do not receive Part C funds.

In 2012, sixteen states were surveyed to garner their input on the processes they used to develop their minimum funding levels. This was then compared to North Dakota's computational methods to determine if North Dakota's analysis was congruent to the others. Through this analysis it was found all the states had similar methodologies to develop minimum funding amounts, the most common denominators used to make the estimations being a cost analysis for basic staffing, office space rental, equipment acquisition, mileage, and supplies. This was then used to adjust North Dakota's base funding amount and adjusted again, with the last estimate set at \$650,000.

Though adjustments to the minimum funding levels have been computed to conform to regulatory requirements in order for this number to be included within the SPIL it has no relevance to North Dakota's Network. North Dakota's network plan was completed in 1995 with the addition of Independence, Incorporated. With the addition of this Center the entire geographic area of North Dakota was covered by one of four Centers. Independence, Inc. was established as the fourth Center for Independent Living serving Northwestern North Dakota. There are no plans to initiate another Center as all areas of the state are covered. The only contingency for a new Center would be, as explained within this section, in the event that an existing Center becomes unable to fulfill its obligations due to negative and unresolved findings, dissolving of a center, or change of mission.

The four Centers within North Dakota are funded at levels higher than the minimum funding level of \$650,000. Since fulfillment of the Network and with each Center's budget surpassing minimum funding levels North Dakota's SILC

saw a need to look to the future and estimate the total cost to serve all people with disabilities within the State. To that end a methodology which was endorsed by various states, SILCs, and RSA at the time was completed in 2015 resulting in a base funding level for each Center in North Dakota. This method used the population of people with disabilities, geographic area, how rural a center is, and estimated number of other disability providers found within each service area to come up with an estimate; see spread sheet below).

	North Dako	ta's Centers	for Indepe	endent Living	
Center	Part C	Part B/State	Total	Funding Formula Est.*	Differential
Dakota	\$463,140.00	\$111,573.00	\$574,713.00	\$2,749,464.00	20.90%
Freedom	\$215,756.00	\$323,145.00	\$538,901.00	\$1,671,991.00	32.23%
Independence	\$144,297.00	\$388,014.00	\$532,311.00	\$1,694,511.00	31.41%
Options	\$150,621.00	\$383,597.00	\$534,218.00	\$2,224,231.00	24.02%

* "North Dakota State Funding Formula" Yeager, Et al., 05-15

Commisioned by North Dakota State Independent Living Council & North Dakota's Centers for Independent Living

Increases of funding designated to provide independent living services, excluding one-time funding, would be dispersed using a step-up process where any permanent increases of funds which are designed to fund Independent Living Centers would be allocated to fund the lowest funded center/s to a level which is received by the next lowest funded center/s until all four Centers have equal funding. The second goal would be to provide equal increases to all four centers until each center reaches their respective funding level as defined though the Funding Formula Analysis. Since each Center, based on population of people with disabilities and geographic area, have different funding levels each will be increased equally until each reaches their defined level. Once all have reached their respective funding level as defined in the Formula increases will be based on inflationary factors. The Funding Formula will be updated to insure it is reflective of population changes as defined through the latest Census data.

Plan for one-time funding and/or temporary changes to Center service areas and/or funding levels.

All independent living funds whether Part B or State funds designated for Independent Living Services will be dispersed in the same manner as non-COLA (cost of living adjustments) Part C funds except in the case of one-time funding. In instances where one-time funding is appropriated each Center will receive equal allocations unless a Center declines the funding.

Plan/formula for adjusting distribution of funds when cut/reduced.

It would be the goal of the SILC that no center would be more adversely affected than another if funding is cut. If any cuts in Part B and/or State funds are received these cuts shall be leveled equally across all four Centers to minimize an adverse impact to any Centers in North Dakota. If a CIL had experienced a decrease in funding due to reductions in Part C funds, the first priority is to use additional Part C funds allocated to the state, above COLA levels, to bring each CIL as close as possible to their highest Part C funded level prior to the cut. To accomplish this each Part C Center will be increased proportionately by the same percentage as the increase would allow until each have reached their previous highest funded Part C funded level.

The SILCs first goal is for each of the four Centers located within the state to be equally funded until each reach the funding goal as defined through the Funding Formula Analysis completed by Yeager and Associates.

Action/process for distribution of funds relinquished or removed from a Center and/or if a Center closes.

It is the utmost priority to maintain services to individuals with disabilities residing in North Dakota. In the event of a Center's insolvency, noncompliance to the Standards and Assurances, a Board of Directors changing the mission of a center to such a degree that it no longer falls within the perimeters of the Regulations defining Title VII or any other reason resulting in a Center not able to provide independent living services the following procedures to maintain a quadrant's coverage will be implemented.

A sub-committee would be organized consisting of representatives of the DSE, SILC, and at least one center director to identify the reason for the loss of a Center, whether mismanagement, loss of stable funding, change of mission, or other circumstance that may have a bearing on whether the Center can go through re-organization, or a new center must be started. This would be accomplished through face-to-face meetings with any past board members or staff. The sub-committee would itemize the equipment and supplies compared to inventory lists, purchase orders, and possible leans against the Center. Delineate those articles purchased with Federal and/or State funds to insure its availability for the future Center.

A timeline would then be developed and plan to ensure that the quadrant in question will maintain service coverage utilizing State, Part B and/or Part C funds. Develop a mechanism where the closest existing Center can provide temporary services utilizing the remaining Part B and State funds until a new Center is able to deliver services. If no Center can assist, advertise the availability of Part B and State funds for the delivery of State Independent Living Services (SILS) to the area in question. If it is determined that a new Center has to be started encouraging those persons with disabilities within the area to initiate the processes needed to make application for funds following in accordance with the SPIL and in collaboration with the ACL, SILC, and DSE.

This instance would be the only instance for developing a new center and would include the following priorities. Inform the ACL of the Center's circumstances affecting the change of illegibility for further funding and the SILC's plan to implement a Continuance of Coverage Plan. Discuss what regulations are

applicable to the remaining Part C funds and the future Part C funds that would be allocated to serve the designated territory served by the Center in question.

North Dakota State Funding Formula for Centers for Independent Living Regions: Adapted from Indiana's Funding Allocation Model Formula, (C. J. McKinney and Patricia Yeager, 2015).

Section 4: Designated State Entity

North Dakota Vocational Rehabilitation will serve as the designated state entity in North Dakota designated to receive, administer, and account for funds made available to the state under Title VII, Chapter 1, Subchapter B of the Act on behalf of the State. (Sec. 704(c))

4.1 DSE Responsibilities

- (1) receive, account for, and disburse funds received by the State under this chapter based on the plan;
- (2) provide administrative support services for a program under subchapter B, and a program under subchapter C in a case in which the program is administered by the State under section 723;
- (3) keep such records and afford such access to such records as the Administrator finds to be necessary with respect to the programs;
- (4) submit such additional information or provide such assurances as the Administrator may require with respect to the programs; and
- (5) retain not more than 5 percent of the funds received by the State for any fiscal year under Subchapter B. for the performance of the services outlined in paragraphs (1) through (4).

4.2 Grant Process & Distribution of Funds

Grant processes, policies, and procedures to be followed by the DSE in the awarding of grants of Subchapter B funds to the four Centers for Independent Living in North Dakota. This will be followed per the SPIL and supported by the DSE. Due to the type of contracts to the four CILs, The ND Department of Health and Human Services (DHHS) requires all four CILs to submit a line-item budget that must be approved by the DSE prior to the grant being awarded delineating how they are going to be spending the funds. If amendments are needed, they must provide written detailed line item and justification of deviation of funds (2CFR Part 200 200.308). This is then reviewed by the DSE and sent back to the CIL of approval or rejection and kept on file. The scope of their work which includes their core services is also included and reviewed with the budget and incorporated into their contracts. Quarterly reports are reviewed and based on the objectives and indicators in the SPIL and negotiated between the CILs and IL program manager. The performance and compliance of the grantees are reviewed through quarterly reports by the DSE and the SILC (includes objective indicators from the SPIL) as well as each of their 704 reports yearly. Grantee will collect and provide data to the DSE, as requested, in the SPIL and in performance measures described in Grantor's Strategic plan. The funding awards for the CILs are based on the previous year's funding and adjustment to funds as directed in the SPIL (Section 3.2). If

unallocated funds are identified during a fiscal year, they will be distributed the following year.

4.3 <u>Oversight Process for Subchapter B Funds</u> The oversight process to be followed by the DSE.

The DSE contract with the CILs contain the requirement to comply with all applicable fiscal requirements included in 2 CFR § 200.

Fiscal Control:

North Dakota Vocational Rehabilitation uses an accounting system maintained by the Department of Health and Human Services.

Fund Accounting:

North Dakota Vocational Rehabilitation uses a modified accrual basis of accounting, consistent with other agencies of the state of North Dakota. Modified accrual accounting is used to show the flow of financial assets of the funds and balances available for spending at year-end.

Each of North Dakota CILs follow the established fiscal policies and allocation plan as approved by the Department of Education and will be responsible for monitoring and maintaining records of their expenditures to assure compliance with 2 CFR § 200 and accounting requirements.

Record-Keeping:

North Dakota Vocational Rehabilitation maintains supporting documentation of accounting transactions on-site for the current and one prior fiscal year. North Dakota Vocational Rehabilitation maintains supporting documentation, as required by state and federal regulation, for at least three (3) years after the final financial status report is filed for each fiscal year.

 Submission of annual performance and financial reports, and any other reports that the Secretary determines to be appropriate.

Reporting:

The DSE is included in the State Auditors annual audit of the North Dakota Department Health and Human Services.

Each grant agreement includes the duties individual contractors (CILs) must fulfill as it relates to financial and programmatic records, including retention of records, access to records, and types. On a periodic basis the Department of Health and Human Services randomly audits records of a specific time period to ensure that generally accepted accounting principles are practiced and that the requests for reimbursements properly reflect the business transactions of the organization. The DSE and SILC will participate as active members of the on-site review committees as carried out by the Rehabilitation Services Administration during each of the reviews of the four CILs located within the State and ensure that appropriate policies and procedures are fulfilled to ensure

compliance with the aforementioned.

The North Dakota SILC, if funds are available, will provide technical assistance to centers upon request.

– Access to the Commissioner and the Comptroller General, or any of their duly authorized representatives, for the purpose of conducting audits, examinations, and compliance reviews, to the information listed in 34 CFR 364.37.

Access:

North Dakota Vocational Rehabilitation accounting records are available for review, either at the North Dakota Vocational Rehabilitation Central Office in Bismarck or the Department of Health and Human Services Fiscal Office at the State Capitol.

4.4 Administration and Staffing

Administrative and staffing support provided by the DSE.

The Independent Living Program Administrator/SILC liaison, who works with the SILC and the CILs, the DSE continues to provide administrative support to the SILC. This person works directly with the Chair of the SILC and committee chairs as requested. This service allows the Chair and SILC committees to conduct business with minimal problems.

Additional administrative support services include:

- Coordinates arrangements for SILC and committee meeting sites
- Notifies members of dates and times of meetings
- Processes all travel and honorarium reimbursement requests
- Records, transcribes, and distributes meeting minutes
- Provides clerical support to SILC committees as requested
- Assists in the preparation of the PPR report and the Title VII State Plan
- Orders supplies for the SILC as needed
- Assistance from the fiscal liaison in planning the SILC and SPIL budgets
- Provides quarterly fiscal updates on spending activity for the past quarter.

A DSE employee has been assigned by the DSE Administrator to provide assistance to the SILC (assistance with budget monitoring, assistance with distributing meeting minutes and other reports, and so on). The SILC Chairperson provides assignment and supervision of the employee, with the input of the collective Council. If the SILC determines that the staff is unable or unwilling to provide assistance to the SILC, the SILC will then inform the VR Administrator and would request resolution, or another staff be assigned to provide assistance to the SILC. If the VR Administrator is unable or unwilling to assign another VR staff, the SILC may decide to choose a new DSE.

4.5 State Imposed Requirements

State-imposed requirements contained in the provisions of this SPIL including: <u>(45 CFR</u> <u>1329.17(g))</u>

We have no state-imposed requirements.

4.6 <u>722 vs. 723 State</u>

Check one: X 722 (if checked, with move to Section 5) 723 (if checked, will move to Section 4.4)

4.7 723 States

Order of priorities for allocating funds amounts to Centers, agreed upon by the SILC and Centers, and any differences from 45 CFR 1329.21 & 1329.22.

How state policies, practices, and procedures governing the awarding of grants to Centers and oversight of the Centers are consistent with 45 CFR 1329.5, 1329.6, & 1329.22.

Section 5: Statewide Independent Living Council (SILC)

5.1 Establishment of SILC

How the SILC is established, and SILC autonomy is assured.

The SILC was established through Public Law 102-569 Title VII and North Dakota Century Code (NDCC) 50-06.5 and is part of the State government structure as one of the Boards and Commissions appointed by the Governor. Therefore, the SILC is placed within the State's organizational structure in the Governor's Office.

Autonomy is assured through an intergovernmental agreement that was developed to formalize the SILC's relationship with DHHS and the VR program. The agreement outlines the use of office space and services to support the partnership and protect the independence of the SILC.

5.2 Resource Plan

Resources (including necessary and sufficient funding, staff/administrative support, and in-kind), by funding source and amount, for SILC to fulfill all duties and authorities.

The ND SILC is not retaining any of the Part B fund, including match, for administrative costs. ND SILC does not have any staff. The DSE provides administrative services at no cost to the SILC.

The Resource Plan will consist of the following funding source:

- \$34,096 per year contributed by VR Basic Support 110 Funds which covers the following functions:
 - Salaries & fringe benefits for SILC members
 - Travel for SILC members to quarterly SILC meetings
 - Professional Development for conferences and membership dues
 - Professional Service Fees for interpreter fees

Process used to develop the Resource Plan.

The funds that are contributed by VR Basic Support 110 are outlined in the 2024 VR State Plan.

1. Council Operations

- Honorariums for members who are employed and must forfeit wages in order to attend meetings or otherwise perform Council duties.
- Per Diem reimbursement at current state rate for lodging and travel while performing Council duties.
- Expenses for disability related accommodations for Council members while attending to Council duties.
- □ Meeting room rental and other costs associated with holding meetings.
- □ Alternative formats.

2. State Plan for Independent Living Development

- □ Forums to obtain input for SPIL.
- Development of the State Plan for Independent Living.

3. Funding

Related expenses for budget priority meetings with the designated state unit and related government entities.

Process for disbursement of funds to facilitate effective operations of SILC.

The projected Resource Plan is below. Adjustments may be made by the Council as necessary during the three years of the State Plan (based on estimated revenue pending legislative action).

RESOURCE PLAN

	FFY 2025	FFY 2026	FFY 2027
COUNCIL OPERATIONS	\$33,596	\$33,596	\$33,096
SPIL DEVELOPMENT	-	-	\$500
DUES	\$500	\$500	\$500
TOTAL	\$34,096	\$34,096	\$34,096

5.3 Maintenance of SILC

How State will maintain SILC over the course of the SPIL.

The ND SILC has chosen not to hire staff. The SILC members in North Dakota are appointed by the Governor. Prior to the appointments the SILC liaison is in contact

with the Governor's office to assist with making appropriate recommendations that adhere to the SILC composition.

The SILC has a spreadsheet of the council to make sure that there is statewide representation. The spreadsheet serves for multiple data resources such as term, dates of terms, position on the council, voting or non-voting member, etc.

Vacancies are filled either through SILC recruitment efforts or as individuals apply on their own. The SILC notifies members that need to reapply six months before so there is not a lapse. At the quarterly SILC meetings upcoming vacancies are discussed so recruiting efforts can begin.

The SILC's bylaws align with the federal requirements for member composition.

Section 6: Legal Basis and Certifications

6.1 Designated State Entity (DSE)

The state entity/agency designated to receive and distribute funding, as directed by the SPIL, under Title VII, Subchapter B of the Act is North Dakota Vocational Rehabilitation. Authorized representative of the <u>DSE Damian Schlinger</u> Title <u>Vocational Rehabilitation Director</u>.

6.2 Statewide Independent Living Council (SILC)

The Statewide Independent Living Council (SILC) that meets the requirements of section 705 of the Act and is authorized to perform the functions outlined in section 705(c) of the Act in the State is <u>North Dakota Statewide Independent Living Council</u>.

6.3 Centers for Independent Living (CILs)

The Centers for Independent Living (CILs) eligible to sign the SPIL, a minimum of 51% whom must sign prior to submission, are:

Dakota Center for Independent Living

Independence Resource Center for Independent Living Freedom Resource Center for Independent Living Options Interstate Resource Center for Independent Living

6.4 Authorizations

6.4.a. The SILC is authorized to submit the SPIL to the Independent Living Administration, Administration on Community Living. <u>Yes</u> (Yes/No)

6.4.b. The SILC and CILs may legally carryout each provision of the SPIL. <u>Yes</u> (Yes/No)

6.4.c. State/DSE operation and administration of the program is authorized by the SPIL. <u>Yes (Yes/No)</u>

Section 7: DSE Assurances

Damian Schlinger, Vocational Rehabilitation Director acting on behalf of the DSE, North Dakota Division of Vocational Rehabilitation located at 1000 E. Divide Ave, Bismarck, ND 58503, (701) 323-8926, daschlinger@nd.gov 45 CFR 1329.11 assures that:

- 7.1. The DSE acknowledgers its role on behalf of the State, as the fiscal intermediary to receive, account for, and disburse funds received by the State to support Independent Living Services in the State based on the plan;
- 7.2. The DSE will assure that the agency keeps appropriate records, in accordance with federal and state law, and provides access to records by the federal funding agency upon request;
- 7.3. The DSE will not retain more than 5 percent of the funds received by the State for any fiscal year under Subchapter B for administrative expenses;¹
- 7.4. The DSE assures that the SILC is established as an autonomous entity within the State as required in *45 CFR 1329.14*;
- 7.5. The DSE will not interfere with the business or operations of the SILC that include but are not limited to:
 - 1. Expenditure of federal funds
 - 2. Meeting schedules and agendas
 - 3. SILC board business
 - 4. Voting actions of the SILC board
 - 5. Personnel actions
 - 6. Allowable travel
 - 7. Trainings
- 7.6. The DSE will abide by SILC determination of whether the SILC want to utilize DSE staff:
 - 1. If the SILC informs the DSE that the SILC wants to utilize DSE staff, the DSE assures that management of such staff with regard to activities and functions performed for the SILC is the sole responsibility of the SILC in accordance with Sec. 705(e)(3) of the Act (Sec. 705(e)(3), 29 U.S.C.796d(e)(3)).
- 7.7. The DSE will fully cooperate with the SILC in the nomination and appointment process for the SILC in the State;
- 7.8. The DSE shall make timely and prompt payments to Subchapter B funded SILCs and CILs:
 - 1. When the reimbursement method is used, the DSE must make a payment within 30 calendar days after receipt of the billing, unless the agency or pass-through entity reasonably believes the request to be improper;
 - When necessary, the DSE will advance payments to Subchapter B funded SILCs and CILs to cover its estimated disbursement needs for an initial period generally geared to the mutually agreed upon disbursing cycle; and

3. The DSE will accept requests for advance payments and reimbursements at least monthly when electronic fund transfers are not used, and as often as necessary when electronic fund transfers are used, in accordance with the provisions of the Electronic Fund Transfer Act (15 U.S.C. 1693-1693r).

The signature below indicates this entity/agency's agreement to: serve as the DSE and fulfill all the responsibilities in Sec. 704(c) of the Act; affirm the State will comply with the aforementioned assurances during the three-year period of this SPIL; and develop, with the SILC, and ensure that the SILC resource plan is necessary and sufficient (in compliance with section 8, indicator (6) below) for the SILC to fulfill its statutory duties and authorities under Sec. 705(c) of the Act, consistent with the approved SPIL.¹
