

Community Health Worker/Community Paramedics Enrollment

North Dakota Medicaid enrolls all willing and able providers that meet ND Medicaid provider enrollment requirements. All eligible providers must enroll and bill with their own NPI. Providers eligible to enroll may not bill for services under a supervising or peer provider's NPI. The following document will walk you through the enrollment process as well as provide you with Resources and Related Policies.

I. Information to gather

NPI

Obtain a [National Provider Identifier \(NPI\) number](#).

- [Create an NPI number here](#)
- [NPI Application Instructions](#)

If a provider has previously been issued an NPI, they will not apply for a new one, rather they will need to ensure their existing NPI is updated to reflect the proper taxonomy codes for the services they will be enrolling to provide.

Affiliation Information

Name of group and Medicaid ID for the billing provider you will be affiliating with.

*CHW and Community Paramedics may affiliate with multi-specialty groups (026-504) and Indian Health Services/638 Tribal groups (047-504).

Submission of one of the following will be required:

License (Community Paramedic)

OR

Certification (Community Health Worker)

II. Online Application

While completing the [Online Application](#), you will apply to enroll under one of these provider/specialty/taxonomies:

Provider Type – 014 Emergency Medical Service Providers

Specialty – 298 **Community Paramedic**

Taxonomy – 146E00000X

OR

Provider Type – 017 – Other Service Providers

Specialty – 776- **Community Health Worker**

Taxonomy – 172V00000X
