

NORTH DAKOTA HOMEOWNER ASSISTANCE FUND COLLABORATION AGREEMENT

COLLABORATION AGREEMENT made this _____ (“Agreement Date”) between _____ (“Servicer”) and the State of North Dakota acting by and through North Dakota Department of Human Services, Economic Assistance Division (“Program Administrator”) related to administration of the North Dakota Homeowner Assistance Fund (“NDHAF”).

BACKGROUND

1. Pursuant to Section 3206 of the American Rescue Plan Act of 2021, Congress established in the Department of the Treasury and funded a Homeowner Assistance Fund (“HAF”) to mitigate financial hardships associated with the coronavirus pandemic by providing appropriated funds to eligible entities for, among other purposes, preventing homeowner mortgage delinquencies, defaults, and foreclosures through “qualified expenses” related to mortgages and housing, which include financial assistance to allow a homeowner to reinstate a mortgage or to pay other housing-related costs related to a period of forbearance, delinquency, or default.
2. Program Administrator is a participating agency for the distribution of HAF funds and has adopted NDHAF, including a Housing Reinstatement Program (HRP), Housing Payment Assistance Program (HPA), and Home Repair Program (HAFHR) to guide such distribution of funds.
3. Servicer services residential mortgage loans of borrowers who are delinquent or in default, forbearance, or deferral and who may be eligible for the receipt of NDHAF funds from the Program Administrator.
4. Program Administrator and Servicer desire to cooperate to facilitate the timely distribution of NDHAF funds to Servicer for the account of eligible borrowers to enable the borrower to cure outstanding arrearages and cause the reinstatement of the mortgage loan or to pay other housing-related costs related to a period of forbearance, delinquency, or default, in accordance with the principles and processes outlined in this Collaboration Agreement.

UNDERSTANDINGS

Program Administrator and Servicer acknowledge and agree that:

1. As between Servicer and Program Administrator, Program Administrator has sole responsibility to determine whether a borrower is eligible for NDHAF funds and, if so, for how much and for what purpose(s).
2. As between Servicer and Program Administrator, Servicer has sole responsibility to administer and service the mortgage loan as to which a borrower may be eligible for NDHAF funds, including to determine the amounts of either any outstanding arrearages that the borrower may owe on a mortgage loan in order to reinstate the mortgage loan or

to enable the borrower to pay other housing-related costs related to a period of forbearance, delinquency, or default.

3. Servicer administers and services any such mortgage loan in accordance with applicable law, a third-party servicing agreement, applicable insurance policies, and potentially other contractual requirements. Nothing in this Collaboration Agreement is intended to require, or will require, Servicer to violate or breach these requirements.
4. Program Administrator may contact Servicer, or Servicer, with proper authorization from the borrower, may contact Program Administrator, about the potential availability of NDHAF funds to cure a particular borrower's arrearages or to pay other housing-related costs related to a period of forbearance, delinquency, or default.
5. Subject to the receipt of confirmation that borrower has consented to authorize sharing of information with Servicer via the Authorization to Release Information included in their completed application, Servicer may share with Program Administrator information about the status of borrower's mortgage loan. Servicer will share such information with Program Administrator through a mutually-agreed upon format. Program Administrator in turn will evaluate such information, determine if the borrower is eligible for NDHAF funds and, if so, for how much and for what purposes(s), and share such determinations with the borrower and Servicer.
6. If the amount of approved NDHAF funds is insufficient to cure any arrearage or pay other outstanding amounts due under the mortgage loan, Program Administrator may consult with the borrower to discuss borrower's willingness and ability, either directly or through other third parties, to supplement the available NDHAF funds to cure such arrearage or pay other outstanding amounts due under the mortgage loan and Program Administrator will notify Servicer accordingly.
7. If the amount of approved NDHAF funds is sufficient to cure any arrearage or pay other outstanding amounts due under the mortgage loan, either alone or in combination with any other funds payable by or on behalf of borrower, Program Administrator and Servicer will cooperate to facilitate the timely distribution of NDHAF funds by Program Administrator to Servicer for the account of the borrower and the timely application by Servicer of such funds (and any other funds paid by or on behalf of borrower) to the account of the borrower, in accordance with applicable law and Servicer's standard policies and procedures for handling mortgage payments.
8. Both Servicer and Administrator agree that time is of the essence in Program Administrator's determination of a borrower's eligibility for NDHAF and the subsequent distribution and application of NDHAF funds. Timely application by Servicer of sufficient NDHAF funds and other supplementary funds for the account of the borrower is governed by applicable law.
9. All communication that includes borrower's "Nonpublic Personal Information" between Program Administrator and Servicer will be through encrypted email, secure loan port, or other similar secure electronic delivery system. In accordance with HUD, privacy,

telemarketing, and information security laws, regulations, and guidelines, Program Administrator and Servicer will maintain or implement appropriate measures designed to (a) ensure the security and confidentiality of any Nonpublic Personal Information it receives from the other party, including, without limitation, appointing a manager or group to coordinate compliance with the confidentiality obligations herein, (b) protect against any anticipated threats or hazards to the security or integrity of such information, including, without limitation, implementing necessary screening and background checks for individuals that may access or use the Nonpublic Personal Information as permitted by this Collaboration Agreement, (c) protect against unauthorized access to or use of such information that could result in substantial harm or inconvenience to the subject of such information, (d) ensure the proper disposal of all Nonpublic Personal Information received from the other party upon the termination of this Collaboration Agreement for any reason, unless the information is required to be retained for legal or regulatory record retention purposes, (e) treat the Nonpublic Personal Information with at least the same degree of care that it uses to protect its own confidential and proprietary information of a similar nature but with no less than a reasonable degree of care, and (f) implement or utilize appropriate technological safeguards that are at least in compliance with the Gramm-Leach Bliley Act, as well as any generally recognized industry standards. For the purposes of this Collaboration Agreement, the term “Nonpublic Personal Information” is any information received from or provided by the other party which pertains to or identifies an individual, such as a name, postal address, e-mail or IP address, facsimile or phone number, mother’s maiden name, social security or identification number, transactional, employment, or financial data, medical or health records, personal, gender, political, profile, account, and password information.

10. Execution of this Collaboration Agreement is voluntary and either party may terminate this Collaboration Agreement without cause with 30 days’ written notice. A Servicer may choose to participate in one or more NDHAF programs.
11. Program Administrator or its third-party partners assisting in the intake function will secure written authorization from each borrower to share information via the statements and assurances included in each borrower’s completed NDHAF application.
12. NDHAF funds may be used to pay mortgage principal and interest, as well as associated fees and any forborne amounts, escrowed taxes and insurance, non-escrowed taxes and insurance, condominium and homeowner association fees, utilities, and other housing expenses as deemed necessary to assure housing stability for the applicant as determined by the Program Administrator. HRP can be used for past due payments and HPA can be used for forward payments up to six months.
13. Servicer and Program Administrator may agree for the provision of reports and other information in mutually agreeable form and content relating to the subject of this Collaboration Agreement.

14. Program Administrator is responsible for continuing eligibility of the borrower for its NDHAF program and any related fraud detection. Servicer will not be required to repay amounts applied to a borrower's loan if that borrower is later determined to be ineligible.
15. Servicer will conduct any transfer of servicing rights pertaining to mortgage loans covered under this Collaboration Agreement in accordance with Regulation X implementing the Real Estate Settlement Procedures Act.
16. Where applicable, Program Administrator will provide at least 30 days' notice to Servicer before it will cease, reduce, or otherwise vary borrower payments from that previously disclosed to Servicer in order to allow Servicer time to evaluate the borrower for other loss mitigation options.
17. Should Servicer receive more funds than needed from Program Administrator or the account of any particular borrower, Servicer will remit the surplus funds back to Program Administrator within thirty (30) days of receiving the funds. If the surplus funds are equal to or less than \$50, Servicer does not need to remit the funds back to the Program Administrator, but instead, will apply those funds to reduce that borrower's outstanding loan principal.
18. Servicer and Program Administrator each will establish a specific point of contact for NDHAF cases and NDHAF program matters ("Servicer Point of Contact" and "Program Administrator Point of Contact", respectively), whom they may change from time to time at their discretion.
