

“Is your customer struggling to pay utility bills?”

ND Rent Help can now help qualifying ND renters with past-due utilities.

Includes water, wastewater and garbage services, electric, natural gas and other heating sources

How utility suppliers receive payment:

Register to be a supplier with the ND Office of Management and Budget (OMB) at <https://bit.ly/2yK2Zba> to receive payment from the department. **IMPORTANT:** Be sure to enter “COVID-ERBU” as the Special Program code.

How does payments work? Renter provides the name of his/her utility supplier and most recent bill. DHS pays the utility supplier for past-due bills. Payment will be made using the method selected when supplier registered as a vendor.
