You may search for your providers within that area. The phonetic option does not display reliable results so you should use the correct “starts with” information.

*If an enrolled provider indicated they do not want to be part of a published directory they will not show up during this search

Find a Healthcare Provider

Print | Help

Search for a provider using any of the following criteria: Name, Provider Type, Provider Specialty, Gender, Language, or Location. Please note that no fields are mandatory, but at least one field must be entered.

Provider Name Search

Disclaimer:

The providers displayed as a result of this search are currently enrolled to participate in the North Dakota Medicaid Program *but they may not be accepting new patients at this time*. The information contained on the search results page is current as of the date generated, but can change at any time.

If you wish to find a specific provider or group practice/hospital, you must enter at least the first two letters of the last name of the provider or practice below. If you spell the entire name, please be sure to spell the name correctly, as the system will be looking for an exact match to what you entered. To narrow the search for a specific provider, you may optionally enter the first name in the appropriate field. Click on the Search button when you have entered the search criteria.
