

DVR is here for you if...

- › You have a disability that is making it hard for you to get or continue work.
- › You want to work to the best of your ability.
- › You are ready to make some good choices to get your life moving in the right direction.

DVR is not the place you are looking for if...

- › You do not have a disability.
- › You do not want to work.
- › You want DVR to help you get disability benefits.
- › You just need some emergency help.
- › You came here to get other services such as food stamps.
- › You are being forced to be here and do not want to be here.
- › You are NOT ready to seek services that lead to employment.

Funding for this was provided through a combination of Federal funds awarded by the U.S. Department of Education under the State Vocational Rehabilitation Services (SVRS) program and State appropriated funds. Federal funds pay for 78.7% of the program costs. For FFY 2019, the VR agency was awarded \$10,868,755 in Federal VR funds. The remaining 21.3% of funding of \$2,941,607 was provided by State appropriated funds.

It Really
WORKS

NORTH
Dakota | Vocational Rehabilitation
Be Legendary. HEALTH & HUMAN SERVICES

We are the North Dakota Division of Vocational Rehabilitation (DVR) and we are the leaders in disability-related solutions. DVR assists eligible individuals with disabilities in improving their employment opportunities.

Our counselors work with you to develop an Individualized Plan for Employment that is based on your interests, needs, abilities, and capabilities. You make informed choices based on the goals of your plan.

Quality Workers and Quality Work drive North Dakota's economic engine. At DVR, we want to provide the right mix of services that will make you an active participant in our state's growing economy.

When it comes to employment, it should always be about your ABILITIES.

Your success is our ultimate GOAL!

You benefit from services offered in six broad groups.

- 1. Evaluation** - medical, psychological, educational, vocational
- 2. Vocational Guidance and Counseling** - interest testing, evaluations of strengths and the effects of your disability on your work, planning and implementing corrective strategies, and helping you to adjust to and live with a disability
- 3. Training** - on-the-job, job coaching, job mentoring, academic
- 4. Employment** - develop resume writing skills, develop interview strategies, job referral, placement, follow-up
- 5. Accommodations** - adaptive aids, assistive technology, accessibility and work site evaluations, and ADA issues
- 6. Restorations** - [medical, psychological] treatment, orthotic and prosthetic devices, and other types of accommodations

DVR can help you find out what your interests and abilities are so you can determine a career path.

We can help you figure out what barriers to employment you may have and how to change or minimize these barriers.

Plus, DVR can help you determine what services you need for employment.

Eligibility

You are eligible for DVR services if:

- › You have a physical or mental impairment;
- › You have a substantial impediment to employment; and
- › You require vocational rehabilitation services to become employed.
