1915(i) Target Population and Qualifying Diagnoses

The State elected to target the 1915(i) State Plan HCBS benefit to a specific population based on diagnosis. Applicants must possess one or more of the qualified ICD-10 diagnoses approved for 1915(i) eligibility. The list of qualifying diagnoses is attached to the 1915(i) Eligibility form located on the 1915(i) website.

See the 1915(i) Evaluation/Reevaluation of Eligibility policy for additional information.
