Updates:

Krissie Guerard: Health Equity Office

- The COVID-19 Strategic Plan has been updated and is up on the website.
- The Health Equity Office Strategic Plan is being updated with some new goals and objectives and will be up on the website next week.
- Working with Kat and Partners on a Living Local app that is driven towards rural communities.
- The Youth Advisory Board is working on the Healthy Habits campaign.

Jorden Laducer

- Been working with the tribal health liaisons on tribal health outreach.
- Completed the L+ Symposium.

BeYOU Year 1: Scope of Work

- One comment was that it is nice to here what is going on across the state.
- Been given a platform to discuss and network with the L+ community.
- Having different state programs join the meetings has been effective.
- How is the community being impacted by the work of the Board? Work on branding.
- Survey will be sent out next week.

Open Discussion and Recap – Faye Seidler

- Pride Board has elected new members.
- Working on the ND L+ School Climate Report and this report pooled every school district in ND. Received a 20 percent response rate to determine how they are doing in response to policies related to L+ youth.
- Faye will be stepping away from the board to work on this project.

Next Meeting – Tuesday, November 16, 2021
